Dear Parent/Guardian,

At Temple Christian College Bethany Campus, we compete in a range of different sporting competition for a range of sports. We compete in Christian Schools Carnivals (SACSA) against other Christian Schools, State Carnivals and Knockout Sport (SSSA), that is open to all schools within SA and Northern Zone Carnivals and Weekly Sport events. In the Northern Zone we compete against other schools in the Northern Suburbs. With Weekly Sport, there is a chosen sport for each term, where students miss lesson 6-8 on a Tuesday, Wednesday or Thursday rotational basis to play against different schools.

Your child has shown interest in trying out for and representing the school for at least one of the sporting events we will be participating in this term. Can you please tick the box next to the sport(s) you give permission for your child to participate in for this term. This will allow us to begin selecting teams based on interest as well as trainings, while also resulting in you only needing to hand in one form per term. If you have signed for your child to participate in an event, but closer to the date feel that your child should not go due to them missing too much school or you are not happy with their grades, please send me a note in their diary at least 3-7 days before the event so we can find a replacement if necessary.

All details regarding the events on this sheet are as accurate as possible, but if there are any changes in dates, times or venues, this information will be given to all students in person or via email.
