Dear School Family,

It was good to have a holiday break. I took my family camping in the Grampians over Easter. On the Friday there was a massive wind that devastated the campground wrecking many tents. Thankfully it cleared the next day and the weather improved slightly. It was very busy with lots of people camping, but it was good to get away and spend time with family and friends. I trust you were also able to have some quality family time.

The term has begun well and it was very encouraging to have Lewis Anderson at the Mile End Campus on the first day. Lewis is now back at home and beginning to engage in some work at school. Please continue to pray for him and his continued healing. We really do give thanks for the amazing work God has done in Lewis’ life.

We also had our Cross Country. It was great to see the level of participation by the students. Well done, especially to the students who ran hard for the entire course.

Our Awards Assembly was held on Monday, Week 3. It was a great privilege to congratulate a very large number of students on their exceptional efforts and achievements. For Term 1, 121 students achieved a Merit for Attitude and 49 received the Attitude Endeavour Award. These numbers combined account for 46% of the students in the school. This is a great encouragement that so many students are achieving Attitude Merits in their subjects. Awards were also given for students achieving a grade point average above 80%. We had 102 students achieve these awards and this was 28% of the students in the school.

I have always worked on awards being given on achieving a benchmark rather than being best in a group. We set our benchmarks at a high level and are really blessed that we have a large proportion of students being able to achieve this level. I trust if your child received an award that they have shared this with you. The Attitude Merit and Attitude Endeavour are two Awards all students can work hard to attain. If your child just missed out, Term 2 can be an opportunity to attain some more individual subject Attitude Merits and an opportunity to achieve an overall Attitude Merit or Attitude Endeavour.

I received great feedback from parents regarding our new system for booking Parent/Teacher/Student Interviews. The new system called PTO is very efficient and makes the process much easier. I am greatly encouraged by the community God continues to grow in Temple. Our scripture this term is from John 10: 11-14. It is where Jesus declares that He is the Good Shepherd who is willing to lay down His life for the sheep. This scripture reinforces again our role as shepherds.

compete and cheer and have a great time – it really was a terrific day.
Bethany took an athletic squad of 57 athletes to take on the local schools in our area. Our athletes were
outstanding with their efforts and their behaviour and we are very proud of them.

Our school won 22 first places (including 5 of the 8 relays), 22 second places (including 2 relays) and 9 third
