Dear Bethany Campus Community,
This has been an unusual term for me personally. I have taken three weeks long service leave and also battled illness for two and a half weeks with adult croup, which could have developed into pneumonia. I thank everyone for your prayers and I am definitely on the mend. Thankfully with the world of electronics and internet access, I was able to keep in communication with the staff and leadership team. I want to take this opportunity to say thank you to the staff and leadership team for the awesome job they do and that the school continued to operate seamlessly when I wasn’t there. Thank you also to Marcel Rijken for the wonderful leadership and assistance he provides to Temple Christian College. It is a blessing to know the school is in such good hands.

In the first two weeks of long service leave, my wife and I went on a cruise which we had promised to do to celebrate our 60th birthdays. It was an awesome experience travelling up the North Queensland coast, visiting places and being a tourist. The ship is equivalent to a five star resort experience with activities, events, concerts and food, glorious food, unlimited courses with menus supervised by French and Italian Head chefs. For those that know my love of food this was definitely a highlight, as was sitting on the boat deck watching the beautiful sea, relaxing and enjoying the moment.

The third week of long service leave was attending a Christian Leaders Conference which was personally inspirational and also gave me resources that we will be able to implement into our Christian Living Curriculum.

**Student Study**
The end of Term 2 has finally arrived. The students have worked very hard throughout the term. The Year 8 to 10 students are particularly to be commended having an exam on their last day. I am greatly encouraged by the significant number of students in the middle years who have studied very hard for their examinations. The skills they are developing now will make a significant difference later. For the students who really did not do any study there are still more opportunities to come and develop these important skills.

It is always good to be past the Winter Solstice, the shortest day of the year and know that the days are now getting longer. Term 3 is a great term and one I always look forward to. I often call it the turn around term as it is a great opportunity for students to improve their Attitude marks and their subject marks. There are no exams at the end of Term 3 and the grade given is only for that term. Many students improve their marks in Term 3.

**Canteen**
It is with great joy that I can announce that Bethany Christian School are starting a five day a week canteen that Bethany Campus students will be able to access. Bethany Christian School will have a Canteen Manager and parent volunteers. They are asking for volunteers from our Campus to help prepare and serve food. If you are available to be on a Canteen roster please contact Linda Hunter, my PA. There will be lunch order forms to fill out by 9am each morning and the lunch orders will be delivered at the start of lunch. The canteen will also be available during recess time. We will pass on menus and order forms as soon as we receive them.

CONGRATULATIONS
Matthew Blumenfeld for being chosen to represent his team at State level in U15 Table Tennis this Aug/Sept.

Melanie Maguire for being chosen to represent at National level in Calisthenics on the 9th July in Darwin.

Dear Parents,
Please note the Uniform Shop will NOT be open during the school holidays.
Staff Leaving and Position available
It is with sadness that I announce that Sharon Coleman is leaving us at the end of this term, to start an administration position at Tyndale Christian School where her children attend. Sharon worked for two and a half years at the Mile End campus and five years at the Bethany Campus, a total of seven and a half years at Temple Christian College. She has served with distinction in a variety of administration roles and her bubbly personality and smile will be missed. On behalf of the Bethany Campus community we wish Sharon all the best.
Please pass on the Receptionist position advertisement in this newsletter to anyone who might be interested.

Car Park and Parking Concerns
Thank you to the majority of families who are co-operating with the changed traffic conditions due to our West Building project. I am pleased to see that overall the traffic is flowing reasonably well except for a number of safety concerns listed below.
1. Drop off and pick up your children in the marked zone only, not in the through traffic lane.
2. The centre left lane is for through traffic only not to pick up children.
3. No parking on the newly grassed verge at the front of the school. Tyres have churned up sections of the newly grassed area. The Salisbury Council Parking Inspectors are coming by and taking photos of cars to issue an $80 fine.
4. Parents can park on the road where there are broken yellow lines to drop off or pick up children, but must not leave their car. An $80 fine is also incurred if you leave your car.
Thank you again for your continued understanding and co-operation with our challenges during the building project.

Congratulations
Many students are to be congratulated for many achievements in Semester One. We try to cover these in our Newsletters. Please let us know of any achievements our current students and old students have achieved so we can honour them and share in their success, including achievements outside of school life.
Our sporting teams have already won eight premierships with Mr Lloyd having fifteen as his goal for this year. Last year we broke our previous record with ten premierships. Separate to team events we have also had many individual successes as well.

Congratulations to Elise & Jerry Moyle on the celebration of their wedding.
BLAZE
Please support this event to be held on Friday July 20 (week 1) at 6.30pm in the Bethany Christian School Performing Arts Centre. This is an opportunity to showcase the student’s performances in Music, Dance, Drama, Art and will be catered by the Food & Hospitality students. Tickets are available from the school Reception and the Student Services Office (SSO).

Students New Christians Group, Bible Study & Prayer Meetings
Many students have committed their lives to Jesus Christ this year and become Christians. I congratulate every student that is a Christian at our school and would encourage you to attend the New Christians Group Bible Study held each Friday lunchtime and run by Karen Vander Veen our Student Mentor. This Bible Study will build a good foundation for your Christian faith and can answer questions you may have. I also am thankful to the students who are leading and attending the weekly Bible study group. This is another opportunity to develop your Christian faith. Also there is a group of students who meet to pray for our school community each week. If you have a prayer request please write it down and put it into the Prayer Request container at the SSO. Parents & Friends meet for prayer in my office in Weeks 3, 5, 7 and 9 on a Tuesday at 2.30pm for half an hour before school finishes. Anyone is welcome to join us.

New Enrolments
A highlight of my week is conducting new student interviews. It is always a very encouraging time. I am surprised at the number of parents who are keen to have their children join the Temple community and yet have never walked through the property. They are really amazed at the facility. It is an incredible blessing to see how far we have come and a clear example of God’s provision. I would like to thank Sean Muldoon who is responsible for Maintenance and Development of the Bethany campus, for his tireless efforts in significantly improving the school. Well done on the difference you make Sean. Next year over one hundred new students are commencing at Bethany campus. If your child is not continuing with us next year, we need a letter informing us at the beginning of next term so we can plan our budget and staffing for 2013. Most year levels are full or getting close to maximum capacity. Please remind interested families to get their enrolment form in next term. We are beginning enrolment interviews for 2014 next term due to the increasing number of enrolments.

Insights
In the last newsletter you would have received a sheet on some parenting suggestions on the topic “Keeping kids safe in a cyberworld.” This weeks topic is “It’s not okay to be away ….. Nor to be late to school.” I trust that you will find these parenting educator sheets valuable and helpful to establish good principles at home that we can also support you at school. My motto is that “I never stop learning” even though my direct parenting years are behind me, I can offer advice and be a support to my children in their parenting role. The Bible says in Proverbs 22:6 (NLV) “Bring up a child by teaching him the way he should go, and when he is old he will not turn away from it.” The Jewish version says that training a child is like putting honey on their tongue when they are young and they will always love and appreciate the taste all their life. So it is with training good habits into our children. When they are older they will appreciate the efforts you put in. Parenting is hard work. May God bless and support you in your efforts.

Conclusion
I trust that the holiday break will be a relaxing and a special time for your family. As my family are all grown up, married, having grandchildren and living in various parts of Australia, it is difficult to get them all together, so special trips are important. Both my daughters live on the Gold Coast, so these holidays I will be visiting them and their families and new grandchildren. The best birthday present I received this year was one grandson (Duke), who was born on the 2nd May, the day after my 60th birthday and on the 10th May, my other grandson (Charlie) was born. My total now being four grandsons and two granddaughters. I pray for God’s covering over each of the Temple Bethany Campus families and look forward to next term. May this holiday be full of blessings and awesome experiences and memories made.

Rod J Klimionok
This term has been an exciting one for the Music Department. It is fantastic to see the Instrumental Students continuing to grow and develop as musicians. Many of them make a great contribution to the life of the school by using their musical gifts and abilities.

**Excursions**

There have been two excursions this term to see performances in Elder Hall, Adelaide. Elder Hall is part of the Elder Conservatorium of Music at The University of Adelaide, so for those students who are interested in pursuing a career in Music, it has been great for them to see these facilities.

Students involved in the Choir went to see a choral performance by ‘Young Adelaide Voices’. Although some of the students would admit that the styles performed were not their favourite, it was great for them to see a range of repertoire presented, including songs in other languages, as well as a song using bird-like noises.

Students in Year 10 to 12 Music attended a Masterclass where professional saxophonist, Amy Dickson, was assisting University students with their performances. The students were amazed at the level of musicality and the expertise of Amy Dickson. Our own saxophonists were inspired to take on some of her advice in their own playing, and our singers were keen to use some of her tips on breathing and phrasing. The students thoroughly enjoyed this experience and we will look forward to attending other Masterclasses in the future.

**SENIOR MUSIC and DRAMA**

The Senior Arts Night included solo performances by students in Year 11 Music, as part of their assessment for SACE purposes. Senior Drama students also performed on the night, with a group presentation by the Year 12s, and a monologue by Jasmine Burfield. Congratulations to all of the students involved, and to Mrs Moore for coordinating the Drama performances.

Thanks to Mr Daughtry and Mr Buckoke who assisted by accompanying some of the students, and being the technicians for the evening.

**JUNIOR MUSIC**

The first ever Twilight Concert was very successful. This event included performances by Year 8 Band, Year 9 Band and Year 10 Band, as well as several soloists. It was fantastic to see the high standard of performance these students are capable of, and I look forward to seeing what they can achieve as they move through into the senior years. Thank you and congratulations to Mr Daughtry, who directs each of these bands. Well done to each of the soloists: Terry Vongphaky, Emma Appleby, Cassandra Fungalei, Andrea Champion and Nathan Pullman. They all presented a great performance and were cheered on enthusiastically by their peers!

Thank you to those staff and parents who offered extra help and support for each of these evenings. To the parents of the student performers: thank you to those of you who managed to come and show your support. I trust that it is always an enjoyable experience for you to see your children up on stage. For those who weren’t able to make it, please look out for the next time your child is performing and try to come along. The students always feel good knowing that their family and friends have made an effort to come along and watch.

If you are unable to attend the performance, please make sure your child is able to be collected from school as soon as they are dismissed. It can be awkward when there are still students waiting to be picked up an hour after the performance has finished, and staff are left waiting for parents to arrive.
BLAZE
We are looking forward to our next performance evening, “BLAZE”, on Friday 20th July at 6:30pm in the Bethany Performing Arts Centre. Please see the advertisement in this newsletter for further details. This event will feature Music, Dance and Drama, as well as artwork displays, and catering by the Food and Hospitality students.

String Ensemble
We are very proud of all of our extra-curricular ensembles in the Music Department, but we are excited about the addition of String Ensemble this term! Mr Buckoke is the driving force behind this ensemble, and we have a number of other staff involved as well. It is great to see that our Violin students finally have a specialist ensemble available to them, and I encourage them to come along if they haven’t already. We also have a couple of students playing the Double Bass in this ensemble. The String Ensemble will be performing at “BLAZE”, despite having only had around five rehearsals so far.

If your child is learning an instrument (including voice), please encourage them to join one or more of the extra-curricular ensembles at school. Alongside their individual music tuition, it is really the best way to enhance their learning and spur them on to reach their full potential. Below is a current list of ensembles and rehearsal times:

- **Guitar Band**: Tuesday 3pm to 4pm
- **Choir**: Wednesday lunchtime
- **Concert Band**: Wednesday 3pm to 4pm
- **Senior Vocal Group (by audition)**: Thursday lunchtime
- **Percussion Ensemble**: Friday lunchtime
- **String Ensemble**: Friday 3pm to 4pm

We also have a ‘Jazz Combo’ which rehearses whenever we can find a spare moment.
Students intending to study Music as an Elective from Year 9 upwards are required to undertake instrumental lessons. If your son or daughter is in Year 8 and planning to choose Music for next year, now would be an ideal time to get them into lessons if they aren’t already learning an instrument.

Enrolment forms are available from the Student Services Office. If you have any questions regarding the Instrumental Programme, please don’t hesitate to contact me: eliza.buckoke@templecc.sa.edu.au

Congratulations to Adam Kerr in Year 9 for this amazing creation.

Nikolas Bajkusev of Year 8 spent five weeks earlier this year overseas. This is his story....

I train at an academy called Jeff Napier’s Academy. (The academy specialises in advanced soccer coaching and development). Jeff Napier does yearly tours to play soccer overseas. This year, Jeff had a tour to Spain and England. It cost $6000 which included everything from the flights to the games.

On the tour of Spain, we went to FC Barcelona and Real Madrid. We trained at FC Barcelona for one day, then went sightseeing and shopping in Barcelona for a few hours. We then went to Madrid and trained at Real Madrid for five days. We also went sightseeing and shopping in Madrid.

We then went to England for seven days and trained at Fulham, Reading and Wallingford. We went sightseeing and shopping and had free time in London.

We played three professional games - one against the Spanish which we lost, and two games against the English, which we won one and lost the other.

Education Tax Refund / Schoolkids Bonus

As you may be aware, the Federal Government announced in the 2012 budget that the Education Tax Refund would be replaced by a new payment called the Schoolkids Bonus. Included in the newsletter is a printout from the government ETR website www.educationtaxrefund.gov.au which explains this in more detail. I encourage our school families to use the Schoolkids Bonus payment for its intended purpose of meeting the costs of your child’s education.

Mr. Toshi Umehara, Business Manager
On Thursday June 7 we took a boys and girls team to the SAPSASA State Touch Football Carnival to compete against other schools from around Adelaide. There were 36 teams competing in this carnival which made it very tough overall. Our boys team played well under coach Mr Kerr and showed a lot of potential. They finished the day with one win, two draws and two losses. They were all tight games (except for our 5-1 win) that could have gone either way and we were very pleased with their effort. Well done boys.

Boys Team List: Hayden Cotsell, Nathan Bassham, Bunrathany Im (captain), Emmanuele Torrefiel, Jeremiah Gaviola, Mitchell Nivison, Jaidyn Purdie, Cameron Joy, Hayden Freer, Alex Kumar & Sam A’Court.

COACH: Mr Kerr       MANAGER: Mrs Boxall
We are able to announce that the School Canteen at Bethany Christian School will be opening on the first day of school in Term 3, **Monday 16th July** 2012. Temple Christian College students will be able to purchase food through this canteen.

The Canteen will have a healthy menu available daily for orders and some over the counter purchases. They are following the green, amber, red ‘Right Bite’ guidelines to ensure that they are providing healthy options for students.

Lunch order forms will be available from Monday 16th July. Students will fill them in by 9am each morning. The lunch orders will be delivered at the beginning of lunch. The canteen will also be available during recess time.

As the canteen will be available to Temple Christian College, they would love your help to prepare food and serve our students at lunch and recess times.

If you are available and would like to help, please contact Linda Hunter on 8256 9600 and she will pass your contact details to the Canteen Manager.

Temple Christian College, Bethany Campus are taking part in the Woolworths ‘Earn and Learn’ and Coles ‘Sports for Schools’ promotions. If you could keep your stickers and tickets for our school it would be appreciated. Woolworths sticker sheets (or just stickers if you have lost the sheets) can be returned to school Reception. Coles tickets can be placed in the box in the Resource Centre. Thank you for your assistance in getting our school some resources.
