Dear Bethany Campus,
Welcome back for Term 3. I trust you had a refreshing holiday and made many wonderful memories as a family, as I did. I visited my family on the Gold Coast and had a wonderful time especially with the grandchildren. The highlight for them and myself was taking them shopping to buy them presents from Grandma and Grandpa. The joy on their faces was a wonderful delight and we had lots of fun.

The Third Quarter
Term 3 is like the third quarter of an AFL Football match. It is called the championship quarter. Statistics show us that most games are won or lost in the third quarter. A good competitive third quarter usually sets up a team for a good fourth quarter and a possible win. A bad third quarter usually results in a loss. A good Term 3 from your child in attitude and application to study can set them up for a successful Semester 2 result and a good finish to the year. This is especially true for the Year 12s who basically have this term and two weeks of Term 4 to prepare for their final exams. For them it is a long education journey that is drawing to a close—13 years, 156 months, and just under 520 school weeks. I wish every student a successful Term 3. By the way “Come on the Crows!!” I am very happy with their progress and success this year. Commiserations to all you “Port Power” supporters, especially after “The Showdown”.

VET
I had the privilege in the last week of Term 2 to attend the Graduation Ceremony for three of our Year 11 students who were part of the School to Work Transition program held at the TAFE SA Adelaide City campus. Details of this program was shared in a previous newsletter. The three students, Nathan Young, Jordan Fisher and Aaron McDonnell did our school and their parents and relatives who attended proud. Congratulations on their achievements.

BLAZE
BLAZE is on this Friday and we are looking forward to the students from the various Creative Arts streams presenting their hard work—music, dance, drama, art and food.

Canteen
The canteen at Bethany Christian School has begun and the students and staff are appreciating this new service to the school community. Your child’s patronage is greatly appreciated and helps to keep the price of food competitive. However there is a desperate need for volunteers, so if you can help for a few hours, please contact my PA Linda Hunter and she will pass on your details. Your child is encouraged to order their lunch before 9am each day to ensure they receive their choice. Please note that Subway is not available anymore as a lunch option. We certainly appreciate their many years of service to our school community.

Insights
There are two Insight articles this week - “A Girls Way” and “Raising Mighty Boys”, which will hopefully give you a better understanding of your child and how you can be a more effective parent.
Conclusion
The Bible says in 2 Timothy 4:7, “I have fought the good fight, I have finished the race, I have kept the faith.” My encouragement to all the students is that you don’t give up this term. Fight the good fight, finish the race well, finish the year successfully.
May God bless you.

Congratulations to Daniel & Victoria Kerr on the celebration of their wedding

As the canteen is available to Temple Christian College students, Bethany Christian School would love your help to prepare food and serve our students at lunch and recess times.

INSTRUMENTAL TUITION

Our Instrumental Programme is continuing strongly, with over 90 students undertaking lessons on a weekly basis. We still have high numbers of students choosing to learn the Piano, Guitar or Drums. Whilst we love to see students learning any instrument, it can be frustrating for us and for the students when they end up in a Music class with eight other students all playing the keyboard, or when there are four other drummers to share a drum-kit with.

If your child is not currently learning an instrument, and you would like to consider it as an option, I would encourage you and your child to look at some of the other instruments available to learn:

<table>
<thead>
<tr>
<th>Trumpet</th>
<th>Flute</th>
<th>Saxophone</th>
</tr>
</thead>
<tbody>
<tr>
<td>Clarinet</td>
<td>Cello</td>
<td>Violin</td>
</tr>
</tbody>
</table>

Students intending to study Music as an Elective from Year 9 upwards are required to undertake instrumental lessons. If your son or daughter is in Year 8 and planning to choose Music for next year, now would be an ideal time to get them into lessons if they aren’t already learning an instrument.

Enrolment forms are available from the Student Services Office. If you have any questions regarding the Instrumental Programme, please don’t hesitate to contact me:
