Dear Bethany Campus Community,

One of the highlights of the year so far was the Easter Chapel service, which was organised by the Prefects and Student Leaders. To have a Student Leadership Team share the message of Easter and what Christ did for us on the cross so profoundly was an awesome blessing and continues to show the maturity and development of our campus. Although it is a story we are very familiar with, it is important that we continue to tell the story of what Christ has done for us and it completely shapes our lives. We are constantly flooded through the movies we watch, books we read and the media. Some of these stories are true and some are fictional. The stories that we immerse ourselves in can shape and direct our lives. God’s story of creation, fall and redemption through Christ is the real true story. It is a story that brings life and purpose as we are used by God, led by his Holy Spirit, to bring life to others. Over 80% of our student body took communion which demonstrates to me the Christian aspect of Temple Christian College.

Open Evening

This newsletter includes two pages of wonderful Open Evening photos, and as they say “a picture is worth a thousand words”, so I won’t say anymore about that, other than well done to everyone who organised, contributed and supported this event.

Term 2 Presentation Awards Assembly

In week 2 of Term 2 at our Monday Assembly at 1pm, students will be receiving Term 1 awards. The term has gone very quickly with staff busily finishing assessments and writing reports for all the students. Our school motto, ‘Pursuing excellence for the glory of God’, reminds us that it is the pursuit, not necessarily always the achievement of excellence that brings glory to God. Not all of us will be able to achieve excellence, but we can all give of our very best in all situations. There are awards given out at the end of each term. One of the most important awards is the Certificate of Merit for Excellence in Attitude.
In each subject a student is able to achieve an Attitude Merit by having an above satisfactory attitude and making sure there are no concerns in the areas of behaviour, submission of work and work effort. If they are able to achieve an Attitude Merit in every subject they will receive the Certificate of Merit for Excellence in Attitude. This award is achievable by all students as it recognises hard work, perseverance and trying your best in each of the subjects. At times, students miss out on this award by one merit. In recognition of their hard work, they receive an Attitude Endeavour Award.

Awards are also given for academic achievement. Students receive a result out of 100 for each subject. The Grade Point Average for students is then calculated by adding the results of each subject studied and dividing by the number of subjects studied. If a student has a score of 80-85 they receive a credit; for 85-90 they receive a Distinction; for 90-95 they receive a High Distinction; and for 95 and above they receive a High Distinction with Honours. It is important for students to work hard in every subject rather than only concentrating on the ones they like.

**Mail out**

This term there will be two mail outs. In this mail out you will receive the Newsletter. In the second mail out you will receive your child’s report, instrumental/music reports if applicable, and a letter and information on how to book your appointments online for Parent/Student/Teacher Interviews to be held next term.

**Winter Uniform**

Please read the Uniform Shop article in this newsletter to make sure your child is prepared for the first day of Term 2. It is compulsory for all students to wear their blazer to and from school every day, except when they have PE. Students who wear their PE uniform on Non-PE days will receive a consequence and in some cases may be suspended and sent home.

**Project Developments**

1. **West Block Performing Arts and Media Centre**

   Stage 2 is being built and should be ready for us to use in Term 3. Stage 1 is fantastic as you would have seen on Open Evening and now the Apple Mac computers have been set up. I can’t wait for the recording studio equipment to be delivered and set up.

2. **Trade Training Centre**

   This is nearing total completion with the start of Term 2 given as the date for the Home Economics Room to be ready for us to use. What an awesome facility it is.

3. **Fairbanks Drive Oval Development**

   Discussions are continuing with the Salisbury Council and our local State Government member Leesa Vlahos as negotiations get closer to finality.

4. **Building Fund Donations**

   I am asking each family to give a tax deductible Building Fund donation as soon as possible to help us with payment for these projects.

   Please keep praying that all these projects will be completed on time and for God to bring in the finances needed. Twelve months ago, I was asking for your prayers for these projects to be approved and today they are a reality. Praise God!

**Secondary Schools Athletics Carnival**

The Athletics team did well at the SACS A Athletics Carnival, coming second and only missing out on first place by 30 points. It was a really great effort. Well done to Mr Lloyd and Mr Schaefer on organising and leading the team. At the SSSSA Athletics Championships we are competing in the B2 Division. The competition will be tough but I am confident the team will give their very best.
Future Enrolments
Have you registered younger siblings of children already attending Temple Christian College? Positions for Year 7 and Year 8 in 2014, 2015 and beyond are already filling up. If you don’t want to miss out on a position, you must fill in an Application Form, available from the school office. If you have any questions, please contact our Enrolment Registrar Mrs Linda Hunter on 8256 9600.

Woolworths Earn and Learn
Temple Christian College: Bethany Campus is taking part in the Woolworths Earn and Learn promotion this year. When you shop at Woolworths, from the 8th April to 9th June, you will be given stickers to be placed on the ‘Points Sheet’ enclosed in this newsletter. These Points Sheets, or individual stickers, can be brought to School and placed in the box at Reception, SSO, Uniform Shop or the Library. Extra Points Sheets can be collected from Reception. A ‘Temple Christian College’ box has also been placed at Woolworths Paralowie and Hollywood Plaza for those who shop locally to submit them straight away. Thank you, in advance, for joining us in this promotion, the School received a number of wonderful resources last year.

Insights Article
This week’s article is titled “Helping Kids Be Brave”. Helping your child to overcome their fears will go a long way in them fulfilling their goals and potential. Michael Groves gives some helpful parenting practices to achieve this.

Conclusion
The Scripture says in Philippians 4:6 (NIV) “Do not be anxious about anything, but in every situation by prayer and petition, with thanksgiving, present your requests to God”. Let us always be thankful for what we have and may our prayers always be filled with thanksgiving.

I pray for God’s covering and protection over your families, especially if you are travelling. May you have a safe, blessed and happy holidays, making many wonderful family memories. God bless.

2013 BOOKLIST ITEMS
Students in Years 7 to 10 should well and truly have all stationery and workbooks now. Year 11 and 12 students may still have workbooks related to their subject on back order. This is not unusual as some senior workbooks are released in Term 2. Please phone Candace Vander Veen, Student Services Officer, if you have any concerns.

HIRE BOOKS
Teachers have organised designated class collection times for hire books not required for Term 2.

If teachers organised a collection and students did not return their hire book, the student must return their hire book directly to the SSO in Term 2, Week 1.

HEALTH MATTERS
Student health information submitted by parents is recorded on the School Database. This is kept confidential and is released to teaching staff, where required, to assist them in student care when planning camps, excursions, sporting activities and off-campus events.

Annual Health Management Plans are required for students with ongoing medical conditions.

Please ensure all telephone numbers, emergency contacts, and medical information is kept up to date.

NEW SMS NUMBER
The School has been trialling a new sms messaging system which is more closely managed by SSO staff and which has a more hands-on approach.

The number is a ‘text’ only number and will not receive voice-based messages. Please store this in your phone and use this number from the commencement of Term 2 for advising of absences/lateness.

Please do not use the old number to report absenteeism or lateness.

We thank you in advance for your patience and assistance whilst we are in this transitionary phase.

SMS NUMBER IS CHANGING
FROM THE COMMENCEMENT OF TERM 2 THE NEW ABSENCE/LATENESS SMS NUMBER WILL BE 0459 176 937

GOOD NEWS!!

LATENESS TO SCHOOL

We have a stamp that we have been using since the beginning of the year to keep a more accurate database of when students arrive at school. It is also used so the student can show it to their teacher when they arrive to class.

This is where the good news comes in. Instead of writing a note or ringing the school to explain your child’s lateness, you now just have to simply fill in the reason for your child’s lateness and sign the stamp. By doing this you are explaining your child’s lateness and this will be updated on our database.

Please note that ‘late’ is not an adequate explanation for lateness.

If you see a stamp in your child’s Student Planner and they should not have been late, then please contact the school and we will give your child the appropriate consequence for being late.

Reminder that **arrival time is before 8.30am**, anything after that is considered late.

We appreciate your support in helping us teach your child the importance of punctuality.

If you have any queries about the process, please ring the Student Services Office (SSO) on 8256 9624 or 8256 9607.

Thanks,

Mr Tony Hudson

TERM 2 - WINTER UNIFORM

From Mr Hudson, Assistant Principal-Student Development

From the outset of Term 2 Winter Uniform is compulsory and is to be worn in adherence to School Rules. Notices in regards to Winter Uniform have been placed in the previous Newsletters and students have been advised via the Student Notices read out each morning in Care Group. Uniform information is found on Pages 20 and 21 of the Student Planner and on the School website. Parents are asked to check uniforms during the School term break to ensure student uniform items are compliant.

A uniform blitz will take place from Friday, Term 2, Week 1 and periodic checks will continue throughout the Term.

Students whose uniforms are non-compliant will receive an automatic lunchtime detention. Consequences will escalate quickly if students continue to be non-compliant.

Non-school items will be confiscated for the period of the term. Students who flaunt School Rules should not be upset or surprised when this occurs.

Girls Winter Skirts are to be floor length when kneeling. To test this, girls should kneel with their back straight, head up with eyes looking forward. When the girl stands, her skirt should fall between the top and the middle of the knee.

Girls are to wear the beige coloured knee-hi socks (formerly referred to as the colour ecru) or bottle Green 70 denier stockings. White socks and coloured stockings other than bottle green are not permitted.

Boys shirts/girls blouses are to be correctly fitted to ensure the top button does up easily. The tie must be worn correctly.

Boys and girls formal shoes are to be compliant with the description in the Student Planner – black, leather, and lace-up school shoe with suitable tread.

Scarves, gloves, mittens and beanies are to be bottle green. Classrooms are heated so these items are not to be worn to class. Beanies are to be removed once students arrive to school.

Non school jackets and jumpers are not permitted to be worn to or from school. Students requiring extra warmth may wear an item of clothing under their shirt/blouse so long as it cannot be seen.

Wet weather jackets are to be bottle green.

Blazers are to be worn to and from school. The blazer must be worn to Assembly each Monday. The only exception to this is where students have a timetabled PE Lesson on a Monday and are to wear their PE Uniform with their PE jacket.

The formal green jumper is not a PE Uniform item. The formal green jumper may be worn underneath the PE jacket for additional warmth. If the student removes the jacket they must also remove the jumper. The jumper cannot be worn in place of the jacket. Please note, PE shoes are to be cross trainers or similar. Canvas and casual sneakers are not permitted and are not OH&S compliant for PE lessons.

PARENTS OF YEAR 12 STUDENTS PLEASE NOTE: Year 12 students are not exempt from correctly wearing their formal uniform or PE uniform. The Seniors Jumper is a commemorative item and not a School Uniform item. Year 12 students must comply with all guidelines in regards to the wearing of their commemorative jumper.

To ensure that all students are ready to start Term 2 in their Winter uniform, the Uniform Shop will be open on Friday April 26 from 9am to 2pm.

Staff: Mrs Cheryl Wyten, Mr Steve Taylor, Miss Melissa Warren, Mrs Cherie Boxall and from Temple Christian College, Mr Justin Daugthy.
