Dear Bethany Campus Community,

Last term we had one of our most successful term in student results with over 50% of our students receiving an attitude award, the highest percentage ever. Congratulations to every student who achieved an award last term. I encourage all students to continue to work hard and achieve their best result possible. ALL students can achieve an attitude award, even if they struggle academically, because it is based on their effort, attitude in class and to the subject, completing set work and homework to the best of their ability.

Concerns

During the school holidays, a Temple student was walking his dog along the tree lined path of Fairbanks Reserve, when he was accosted by someone. Thankfully the dog reacted and scared the attacker who ran off.

Also students have been seen walking along the Kings Road bridge where there is no walkway or path, which is quite dangerous.

Thirdly, if your child rides a bike, skates or scooters to school, please make sure they wear a helmet.

Parents, please be aware of these concerns and advise your children accordingly.

Athletic Carnival

A full report is included in this newsletter of our successful team results. Congratulations on the combined Temple Athletics team who won the B2 SSSSA carnival.

Project Developments

1. West Block Performing Arts & Media Centre
   Stage 2 upstairs is progressing well and we should be able to occupy the upstairs sometime this term. The final stage is the theatrette, which is a more complicated project and may be completed sometime in Term 3.

2. Trade Training Centre
   The Junior school Home Economics centre is in the final stages of completion and should be available soon.

3. Fairbanks Drive Oval Development
   The feasibility study is in its final stages and will be presented to the Salisbury Council soon for their of the plan details and costings.

Please continue to pray that each of these projects will be completed as soon as possible.

Insights Article

This week’s article is on teenage drinking, which is a challenging issue in our current Australian Youth culture. I trust the guidelines offered will help you, as you sit down with your children to discuss this very important topic.

Conclusion

Ephesians 2:8–9 says in the Amplified version of the Bible that we are saved not through our works and efforts, but because of God’s gift to us, so that we can’t boast or take pride in accomplishing our salvation through our good works.

For it is by free grace (God’s unmerited favour) that you are saved (delivered from judgement and made partakers of Christ’s salvation) through (your) faith. And this (salvation) is not of yourselves (of your own doing, it came not through your own striving), but it is the gift of God: Not because of works (not the fulfilment of the Law’s demands), lest any man should boast. (It is not the result of what anyone can possibly do, so no one can pride himself in it or take glory to himself).

However Jesus’ life teaches us that after accepting this wonderful gift of salvation we are to live our life helping and serving others with a community attitude.

Congratulations to Gemma Biddle in Year 7, who along with her Drilldance team Blue Odyssey successfully competed in the State Championships in March, earning a position in the Australian Drill Dance Championships held in Sydney in April. The team competed extremely well and were happy with their performance. Well done Gemma!

At the end of Term 1, we had the SACSA (Christian Schools) & SSSSA (State) Athletics Days. On Thursday 28th March, we headed to Santos Stadium for the SACSA Athletics, competing against other Christian Schools. We joined with Mile End and had our biggest contingent from the Bethany Campus and were hoping for a great result. Throughout the day, we were constantly near the top of the table with fantastic participation and effort by all our students. Unfortunately we had a weaker than desired set of relays, that lost us the lead, finishing with a great result of 2nd place behind Kings by 34 points. We had some fantastic individual results with the following students finishing first in their events.

On Wednesday 10th April, we took the same team to the SSSSA Athletics. Last year we had won the C1 Grade, so this year moved up to B2s, with hopes of great results. We had fantastic participation and results by all of our students once again. For SSSSA there were three different categories, Boys, Girls and Combined. Once again we were near the top of the table for the entire day, and this time we were able to have some better results in the relays to keep our hopes high of a win for the day. In the end the boys finished in 2nd, six points behind Adelaide High, the girls finished 1st, 26 points in front of Yorke. With the overall results, we ended up winning the day by 90 points over Modbury High resulting in us moving up to B1 Grade next year.

Here were some fantastic individual results from our students.

It was a great team effort by all, regardless of where they finished, all the points added together led to the great results. Congratulations to all of the students and staff from both the Bethany and Mile End Campuses that were a part of the fantastic results we had. Well done all.
