Dear Bethany Campus Community,

Term 2 has finally come to an end. The students have worked very hard throughout the term. The Year 8 to 10 students are to be commended, having two exams on their last day. I have been most impressed by the way the students have embraced this time of study and examinations. It has provided the students with a great opportunity to develop great study skills, as well as develop perseverance. It is important that our students, your children, grow in their resilience and time of acute pressure really help them to grow in this way. The skills they are developing now will make a significant difference later. For the students who really did not do any study there are still more opportunities to develop these important skills.

It is always good to be past the shortest day of the year and know that the days are now getting longer and that Spring and Summer are on their way.

Students will return on Wednesday 24th of July. On the Monday and Tuesday of that week all the Temple staff will be attending the Christian School Australia (CSA) Biennial State Conference. We have over 850 delegates from all the member schools attending and it will be held at Tyndale Christian School. We have some excellent speakers, Dr Wilson from Regents College in Canada and Andrew Dwight, Director of Continuing Education, from the Compass Foundation.

There are also a choice of over 30 workshops that staff will be attending. It is great to be part of such a significant Christian education community.

Term 3 is a great term and one I always look forward to. I often call it the turn around term as it is a great opportunity for students to improve their attitude marks and subject marks. There are no exams at the end of Term 3 and the grade given is only for that term. Many students improve their marks in Term 3.

Building Update

Please keep praying for a smooth completion of the West Building by the end of Week 1, next term. The ‘Kiss-and-Ride’ Zone, turning circle, will be open next term so please take note of the new traffic conditions in our carpark and observe the signage.

New Building Opening

I would like to invite all Parents/Caregivers, Friends and Old Scholars to attend the opening of both new buildings—The Trade Training Centre and The Creative Arts & Media Centre on Friday 2nd August at 1pm (Term 3, Week 2). The Federal Member for Port Adelaide, Mark Butler MP, will be officially opening the buildings and there will be special items and presentations. Please contact Linda Hunter on 8256 9600 if you plan to attend.

Happy and safe holidays to all our Temple Families

PLEASE NOTE:
The School Office and Uniform Shop will be closed over the School Holidays. The Office will reopen on Wednesday July 24. The Uniform Shop will reopen Thursday July 25.

Street Parking
Please obey the street parking rules and signage. A number of cars have been parked across driveways and one of particular concern is a house that has disabled residents who need driveway access for taxis and medical purposes.

Insight/Cyberbullying and Sexting
The Police Education Unit shared at an assembly earlier this term on the topics of Cyberbullying and Sexting. These are real issues facing our students, your children, today. The police shared what each area means and the consequences when caught engaging in this behaviour. Serious cases could involve police prosecution, a permanent criminal record and possible exclusion from our school. Please ensure you are aware of what your children are doing on the Internet, on computers and phones.

I have included the Insight article on sexting for parents to get more of an understanding and awareness of this subject and realise your responsibility as a parent.

Conclusion
At a recent Assembly I spoke on the subject “Being a Christian does not entitle you to a perfect life.” This is often a misunderstanding that people have; that becoming a Christian will protect them from suffering, persecution, sickness, sadness, etc. History and the Scriptures show us that we are not immune to what life brings us and that we have prayer, God’s Word, hope, mercy, grace and the strength and comfort of the Holy Spirit to help us through these dark times. The Bible says in Proverbs 3:5&6 (Amplified) “Lean on, trust in, and be confident in the Lord with all your heart and mind and do not rely on your own insight or understanding. In all your ways know, recognise, and acknowledge Him, and He will direct and make straight and plain your paths.” God will direct us and help us through the challenges we face. Psalm 23:4 (Amplified) is a wonderful comfort in hard times. “Yes, though I walk through the (deep, sunless) valley of the shadow of death, I will fear or dread no evil, for You are with me; Your rod (to protect) and Your staff (to guide), they comfort me. God protects, guides and comforts us in all of life’s circumstances. What a wonderful promise this is to us.

May you be kept safe, especially if you are travelling over these holidays. I pray that the time with your family will be relaxing and refreshing, and I trust the students will be ready to go for next term.

SSC Representative
In the last newsletter a mistake was made in regards to the Year 9 SSC representatives. We have two Year 9 boy representatives. They are Dylan Kong (pictured in the last newsletter) and Zac Boxall (pictured here). Our apologies to Zac for omitting him from the last newsletter.

More information to come next term.
2013 continues to be an exciting year for the Creative Arts team. Whilst the building work is still going on in our new Creative Arts and Media Centre, the Music faculty has taken on full use of the classrooms and Instrumental Tuition rooms. We await the completion of the new Recital Room, and also the finishing touches in our Recording Studio. Next term the new Drama and Dance room will be completed, along with the new Audio Visual and Media Lab. Semester One has finished with three performance events: Year 10 and 11 Drama performance, Year 11 and 12 Recital Night, and the Twilight Concert. Congratulations to all of the students and staff involved in these presentations!

**Year 11 and 12 Recital Night**

On Friday 14th June at 6:30pm, the students from Year 11 and 12 Music presented their solo performances for assessment. This included performances on guitar, piano, voice and saxophone. Thank you to the parents and students who came along to show your support! The students all did a fantastic job on the night and should be proud of their efforts. I particularly enjoyed seeing how the students have developed over the years, from being a beginner on their instrument, to presenting a public performance with a high level of skill and musicality. These nights are a great opportunity for the students to develop their skills as performers, in readiness for the Year 12 External SACE Assessment in Term 4. If you missed out, keep an eye out for next term’s Year 12 Recital Night!

Mrs Buckoke

**Year 10 & 11 Drama**

The Year 10 and Year 11 Drama classes had the opportunity to perform on Wednesday of Week Seven, this term.

The focus for the Year 10 class, this semester, was studying Commedia dell'Arte, a style of Italian Comedy that was popular from the fourteenth to the eighteenth century. They learnt the theory behind the style, and put their practical knowledge into the performance of a play called “Two Masters, One Servant.” The Year 10 actors consisted of Esther Fungalei, Aleisha Foster, Sergio Perez Abarzua, David Bol and Vu Le; they also had help from two Year Nine students who volunteered their time to perform also, Brooke McDonnell and Isabel Schliwa.

The Year 11 class performed their Collaborative Production for SACE Stage 1, called “Lanterns.” This class studied Antonin Artaud’s Theatre of Cruelty and used that to inform their creation of this performance. In the style of Theatre of Cruelty, the class wanted to create an environment where the audience felt the emotions that were being portrayed in the performance, rather than just viewing them from the sidelines. In order to accomplish this, the audience was lead through the West Building, confronted by sound, lighting, media and emotive themes.

Both classes performed extremely well and the afternoon was thoroughly enjoyed by those who attended. Well done, everyone!

Miss Baker

**Twilight Concert**

On Wednesday evening the 19th of June the Year 8, 9 and 10 Year Level Bands performed at the biannual Twilight Concert, in front of friends and family in the Bethany Performing Arts Centre. Each band performed really well and it was great to see the students having fun whilst showcasing their talents. The night also featured solo performances from selected students including Tia Cooper (Voice), Claire Ramintas (Piano), Cassie Fungalei (Tenor Saxophone) and Terry Yongphaky (Drums) who all wowed the audience on their respective instruments. Thank you to all the student performers and staff who helped out on the night, it was a great success.

Items needed for PNG…

Thank you for your ongoing support to our friends at Sunrise Bethel Christian School in PNG. The housing project is coming along nicely and we believe that it is pretty much completed! There have been some delays, which was expected, however, we must honour, commend and thank the many volunteer builders who have dedicated their time and skills to this project. A newsletter with updates will be available to you all next week.

There will always be needs in PNG and plans for our next classroom project, are well underway. A shipping container is being prepared with building materials for this project and it will be organised to depart during the 2nd week of the school holidays.

There are a few items that the PNG School would benefit from greatly and we would love to put in these in the container. If you have and are willing to donate these items to the school we would appreciate:

- 2 ovens
- 2 fridges

It is important that the items are in good working order and sound condition. If they need repairs or parts or are not in great condition, please reconsider your offer as we only want to transport good working order items.

Please email melinda.rawlins@sunrise.sa.edu.au or contact the Head Office on 8405 0950 should you have any further questions or would like to donate any of these items.

**SACSA Netball**

In Week 6 we took 45 students as part of 5 teams to the Golden Grove Netball courts for the SACSA Netball carnival. It is one of the biggest events on the SACSA Calendar with over 50 teams competing in the Year 8/9 Boys and Girls and Open Boys and Girls competitions.

We had a team in each competition with two in the Year 8/9 Girls. It was a great day of competition, with some great results by all teams.

In the Open Girls, the girls played hard, winning some games, but unfortunately not enough to finish in the top 4 to play in the big finals. The girls did well though, finishing in 12th position.

The Open Boys was a very close competition with most schools being a very similar level. They won four games out of nine and on points ended up finishing in 7th place. This was harsh on the boys as they lost one game by a goal, when they had a chance to tie it, to the eventual winners. A draw in this game would have put them in outright 2nd place, going into finals as teams 2nd to 7th all had the same points after the minor rounds.

The Year 8/9 Boys started the day well, but a few injuries and fatigue hurt them later in the day. They ended up finishing in 7th, like the Open Boys, but again, one extra win would have had them in the Top 4, it was such a close competition.

The Year 8/9 Girls Team One had a fantastic day. They went through the whole day undefeated to finish top of their pool with a good chance of making the finals. They then won their Semi-Final well to advance to the Grand Final against Tyndale, who beat us last year. It was another great Final where we held the lead for most of the game. With just over a minute to go we led by 3, but with 30 seconds to go, Tyndale had come back and tied it up. They then had their chance to take the lead, but our defence was able to hold them up and with 10 seconds to go we were able to score to win by 1 goal. It was a well deserved victory for the girls.

Team Two also had a very positive day, but two one goal losses meant they missed out on being in the Top 4 and play against the other team. They ended up finishing in 9th for the day.

Congratulations to all students on their efforts for the day, you all represented yourselves and the school well.

**Year 10 Knockout Volleyball**

In Week 7 we headed to the Mars Sporting Complex for the Year 10 Boys and Girls Knockout Volleyball competition. We had a hard draw with only the top team moving onto the finals.

In the Girls competition, the girls tried valiantly for the entire day and over the course of the day demonstrated a considerable improvement in their skills. Unfortunately they lost two close games and had two big losses for the day to finish in 5th position.

In the Boys competition, they were also up against tough opposition. They won their first game, but narrowly lost their second meaning the third game needed to be won convincingly to make it to the final two. They started slow and were not able to recover, but played well for the day. In the final match for 3rd place, their heads weren’t in the game, so they finished in 4th. It was still a great day of development for the boys.

---

**Northern Zone Open Volleyball**

On the Friday of Week 7, we took a group of senior students back to the Mars Sporting Complex for the Northern Zone Open Volleyball competition. The main aim of the day is to improve the skills of the students, with a large focus on those doing Year 11 or 12 Physical Education. We had a group of mainly Year 10 and 11 students, with three boys teams and two girls teams. Throughout the day there was a great number of students that demonstrated great improvement in their skill level and knowledge of the game. In the end, we had the two girls teams play each other in the Grand Final to finish 1st and 2nd. In the boys there was no Grand Final, but based on points we finished in 1st, 3rd and 5th. It was a great day of volleyball by all the students and they all demonstrated great improvement.

Well done to all the students that went and represented the school.

Joshua Lloyd
**Weekly Sport Netball**

This term’s weekly sport competition was Netball. We have had a lot of previous success and were hoping for more this term. This term Fremont only had a Year 9/10 Girls team, so we put in 3 extra teams to play along side them. This meant we had two Year 8/9 Boys teams, two Year 8 Girls teams, 2 Year 9 Girls teams and one Year 10 Girls team.

In the Boys competition, both teams were quite strong and there were not many other schools that put teams in. There were three teams in the competition in the end with both of our teams playing off in the Grand Final, to finish 1st and 2nd for the term.

The Year 9 Girls competition, again had two strong teams. Our Number One team lost to Salisbury in the final minor round, as their only loss for the term. They would then play them again the following week in the Grand Final, beating them by a few goals to be Champions for the term.

The second team also did quite well, only losing to Salisbury and the other Temple team. This was quite good, considering the whole team were Year 7 students. They ended up beating Craigmore in the 3rd place playoff to finish in 3rd for the term.

The Year 9 girls teams again were quite strong. The first team has won the last two years without dropping a game and this year was no exception. Their smallest win was 15 goals and they won quite convincingly over Salisbury in the Grand Final to make it three years in a row undefeated.

The second team were also quite convincing, but were not able to beat the other Temple team and narrowly lost to Salisbury to finish in 3rd place for the term.

The Year 9/10 Girls were all Year 10 students and had a mixed run throughout the term. They narrowly lost to Craigmore and Salisbury, but were able to easily win their other games to make it to the Grand Final on percentage where they faced Salisbury again. This time we played here at school and the girls found the extra effort they needed to beat Salisbury in the game that mattered and be the 2013 Champions.

Congratulations to all of the teams, it was a fantastic term with our best results to date. We won all four competitions, had one team finish 2nd and two teams finish 3rd. Also a big thank you to all of the teachers that helped take the students out each week. Joshua Lloyd
