Dear Bethany Campus Community,

This Principal’s Report has been partly written by Mr Marcel Rijken as I am attending the Australian Christian School’s Conference in Hobart, Tasmania this week.

I would like to thank Kate Hanlon (see photo) from World Vision who spoke at our last Assembly encouraging students to be involved in this year’s World Vision. It would be wonderful to have a large number of students involved. Thank you to all the staff and students who were involved in our fantastic opening of the Creative Arts and Media Centre and Trade Training Centre. It was very successful, with lots of positive comments made by our guests. I will say more about this in the next newsletter.

It was great to be able to connect with parents at the Interview Night last Wednesday and I was greatly encouraged by the number of students from Year 10 and 11 and parents attending the Year 11 and 12 for 2014 Information Nights. I am always amazed at how quickly time moves on. It seems like yesterday that these students were in Year 7 and now they are choosing their subjects for Years 11 and 12.

I was also greatly encouraged by the number of students that received Attitude and Academic Awards in recognition of their efforts in Term 2. These were presented at our Awards Assembly held on Monday. In Term 2, 40% of students received an Attitude Award and 26% of students were able to receive an Academic Award by having a Grade Point Average above 80%. An excellent effort. God Bless.

It is great to be starting Term 3. I will often refer to this term as the ‘turn around term’ as students will and can if they work hard, be able to lift their attitude marks and grades. They have now had half a year in their Year Level and would know the expectations that each subject has. There are no exams at the end of this term and Spring is on its way. I look forward to seeing the students really embrace this time to make some significant improvements. It is a really important time for Year 12 students and a thorough strong effort will still make a significant difference.

All the Temple staff attended the CSA Conference at the start of this term. It was excellent with over 800 staff attending from the CSA Schools. The theme of the conference was ‘A Story Worth Telling, a Life Worth Living’. The keynote speaker, Dr. Rod Willson from Regent College, Vancouver, and Mr. Andrew Dwight from Compass, were both excellent and all staff greatly appreciated what they shared.

I am very mindful not to have too many student free days as I realise the difficulties it can cause for families especially where parents are both working. We usually only have them one day during term time each year which coincides with the Royal Show and is used by the school as a Team Building day for all staff. We have the CSA Conference only every second year and it was very worthwhile for all the staff.

The scripture for this term is one of our foundation scriptures and is from 1 Peter 2:5. ‘And now God is building you as living stones, into His spiritual temple. What’s more, you are God’s holy priests, who offer spiritual sacrifices that please Him because of Jesus Christ’.

The scripture reminds us that each of us are precious to God as we are the living temples that He inhabits.

I had a good holiday break and was able to spend a great time with my family. It does become more difficult the older they get. Family is very precious and I greatly appreciate and enjoy just being able to ‘hang out’ together. We were able to get away on a snow trip, but disappointingly it rained for the whole week. It was the worst conditions in 20 years. Still you make the most of it and it was still fun just being together. I look forward to this term and all the special events and performances.
