Dear Bethany Campus Community,

It is great to be back at school for Term 4. The Year 12s have had their last week culminating with a Farewell Assembly on Friday. I am very proud of our Year 12 students, with their passion for fun, but also their sensitivity toward others. There were many tears at the end of the assembly as they realised that their 13 school years were rapidly coming to an end. A special thank you to Head Chef Jamie Trezise and the staff, who prepared and served a wonderful breakfast to the Year 12 students and their parents, caregivers and relatives that attended. It was a special time to share food together and reminisce about the day they started at Reception and events in their school history.

The Year 12s will now have one week of study leave before their examinations begin. Not all subjects have external examinations and as such some students will finish in the study leave week. Please continue to pray for our Year 12 students, for God’s protection and covering and that each of them can complete all their work and finish the race to the very best of their ability.

As the Year 12s finish it also gives the Year 11s the opportunity to step up and be the Senior Students in the life of the school. It will also be exciting to have the Year 11s lead us in Assemblies for the remainder of the year.

**Presentation Night**

The final night for the year is Presentation Night on Thursday, December 12. It is an expectation that all students attend this night. It is our premier gathering for the year, as we celebrate God’s continued provision in the life of the school. The Presentation Night is held after examinations to allow staff and students involved in the many musical and other performances to finalise their items without the pressure of examinations and reports.

**Cambodia**

The team to Cambodia were able to have a very significant impact and it has been so good to continue to work with the different mission groups over the years. This was our seventh trip and I would really like to thank Mr Kowald from Mile End on his passion for the work in Cambodia and his leading and organisation of the trip each year. Mr Kowald commented on how exceptional the team were. Gianna Pistor was the Bethany Campus teacher who also went on the trip.

**Prefect Communion**

We had our final Year 12 Prefect communion on Thursday. It was great to also have the Year 11 leadership team join us. We were able to finish with the students praying for each other. It will be exciting to have the Year 11 leadership team lead us for the rest of the term.
Marcel’s Europe Study Tour

This is Marcel’s reflection on his recent trip. “I had a wonderful opportunity to join a study/vision tour organised by Northern Beaches Christian School through Sydney Centre for Innovation and Learning. The tour visited schools in Denmark, Sweden, Spain and England. Most of the team were Principals form Christian Schools. It was an exceptional experience as I was wanting to see what learning could look like at Temple over the next 5 years. It was clear from visiting 15 different schools and learning centres that the education we provide at Temple really is very exceptional. There is always more that we can do and it will be exciting to see the changes that we can make that would encourage our students to be even more engaged in their learning. A number of schools had some larger collaborative work spaces that enabled opportunities for team teaching and independent work.

Some highlights for me was to be able to visit the Sagrada Familia in Barcelona. This is a Basilica designed by Antoni Gaudi. It is still not completed and has been built for over 100 years.

In the week before the study tour began, I was also able to find the house that I grew up in Rotterdam, Netherlands. My family immigrated to Australia when I was 5. It was lovely to be able to walk around the suburb and stand in front of the house. It was the first time that I was in a place where my name wasn’t unusual. Marcel is a very common Dutch boys name and the use of the letters Rijk is very common in the Netherlands.

I also have a love for the mountains and I was able to visit and ski near the Matterhorn in the Swiss Alps.”

Alex Cibi Day

What a wonderful community spirit we have at Bethany Campus. I have been so impressed with the way the staff, students, parents & friends and community businesses have supported this day to help Alex Cibi fight his challenge with cancer. The total raised is $4210 to help the Cibi family pay for Alex’s treatment. Thank you everyone. Anna Downing our Office Manager is still taking donations if people want to give. A special report with photos will be presented in the next newsletter.

Insights

This article is on “Why finishing 4th beats winning”. Michael Grose states “We all love to see our kids be successful. But maybe it’s their struggles rather than their wins that will set them up for future success.” This is so true. The Apostle Paul talked about these challenges many times in Scripture—“don’t give up, finish the race, etc.” These are the core values we want our students to leave Temple Christian College with.

God Bless

RJ Klimionok
During Terms 1 – 3 many of our students undertook the Premier’s Reading Challenge. This involved reading 12 novels which, combined with a busy homework schedule at Secondary School, is not an easy task. The approved novels for Years 7 – 12 are also of a greater length and complexity than Primary School, all students who reached this goal are to be commended. 51 students were able to successfully complete the Challenge, many of which were completing it for the first time. Several students completed the Challenge for the eighth time, which elevated them to ‘Legend’ status. Students will be recognised at an Assembly in Week 7 with medal presentation by a representative from our local State Parliament.

It was Day 4 of our stay in Takeo, a rural village one hour or so from the capital of Cambodia. It was now time to head ‘home’ (to Phnom Penh). But before we left, our hosts took us to visit six of the poorest and most needy families in the area. Our hearts welled with compassion as we heard their plights and saw the stark poverty that surrounded them. It was an incredible experience.

The last ‘home’ we visited belonged to an elderly man and his wife. He seemed to be slightly incapacitated and found it hard to move around. His wife, on the other hand, amply made up for his lack of mobility. As soon as we stepped foot onto their small plot of land, up until the time we left, she couldn’t stop hugging each one of us, saying in effect; “thank you, thank you, thank you!” It was as if we were some form of royalty that had stopped momentarily to grace them with our presence. They were so ecstatic and happy to see us. Their faces, beaming from ear to ear. Like the others we had just met, they too had literally been waiting in eager anticipation for our arrival all day. Finally we made our way across their front yard and were beckoned to sit down on their front ‘veranda’. A structure, which like the rest of the single roomed ‘house’, was constructed of wooden poles for frames, thin tin sheets as walls, open spaces for windows and knotted bamboo flooring which doubled as a bed at night. Here we met the rest of the family, 3 beautiful grandkids. Their parents were forced to live in Phnom Penh just to earn enough to keep the family alive (sadly this is true for many families in Cambodia). The children, a little shy at first, ventured out from behind their grandparents. They were delightful kids. They had just come home from the local Christian school down the road which was set up by our hosts (We have had the privilege to help finance part of the set-up and expansion of this incredible ministry). The children return home every day with not only an ‘exceptional’ education (a far cry from what is received from the local government school system) but also with songs and stories of the love of God. The impact this is having on the whole province is remarkable. The school is now known by the whole region as the ‘Jesus is Lord School’. The incredible love for God that these kids have, as we experienced on our first day as we sang worship songs to God, each in our own language, was amazing. Even the local witch doctor confesses that the property is ‘too powerful for her to enter’. Parents are literally begging for their children to be able to attend.

All too soon, it was time for us to go. It was hard to leave. How can one ‘move on’ after seeing such poverty and not feeling as though you have done enough to help? Besides, the beautiful old lady wouldn’t let go of us. Before we finally did depart, we were able to bless them with some daily essentials like rice, toothpaste, soap etc. and also had the wonderful privilege of being able to pray for them as a family. They also insisted that we take their photos so we wouldn’t forget them. Almost everywhere you look in Cambodia you are faced with extreme poverty and people living in dire need. Our mission was simple: we can’t change the world in a day, but daily we can help change someone’s world! There is so much need, and so much needing to be done. The truth is, we all have a part to play, a response of some kind, whether it’s a prayer, a donation or responding to the call to go. The best response; obedience to His still small voice. Aside from the stark poverty that we were confronted with, there was also something else that surprisingly left a lasting impression. As we drove away, our host began to share a testimony. Because these people have so little, they need to TRUST GOD for so much. Even a simple headache was cause for prayer. A knock late at night on the pastor’s door; a fervent prayer and God responds. Time and time again, God comes through.

This is now our seventh trip as a school. It is always a life changing time, both for those we meet and all those who go. All thanks must go to Him, who not only keeps us safe and orders our steps but also enables us to be the biggest blessing we can be to all we meet. Thanks must also go to the whole team who were incredible shining lights of His love and compassion. We were so proud of you all. The leaders also do an incredible job supervising, sacrificing sleep, and giving up two weeks away from loved ones in order to help make this trip the success it was. Thank you! I would also like thank all who have given generously to help support this trip whether financially or in prayer. In total we were able to raise around $33,000 in fundraising ($23,000 from the school community and a $10,000 donation from a local church).

Justin Kowald (Mile End)
CONGRATULATIONS

Congratulations to all of our students, staff and families that have so generously given to World Vision for 2013. A combined Mile End and Bethany Campus total of $13,900 was raised in 10 weeks, an all time high in the history of the school support of World Vision.

Our students did an outstanding job raising funds with school events and the 40 Hour Famine.

Our highest fundraising amount achieved by an individual student was from Year 7, Luke Perrina, who raised $367. Well done on a fabulous effort.

NEW TO THE BOOKLIST IN 2014

BOOKLIST MAIL OUT
Mrs Karen Smith, Student Services Manager (Mile End), works closely with Faculty Coordinators and Suppliers in establishing the annual School Booklist.

The Booklist mail out will take place on November 13. This year, Booklists will be mailed out separately to the end of year administration pack mail out.

*Booklist due dates for return to School or online lodgement is November 28.*

Campion Education remains the official Booklist supplier.

This year the School has invited Officeworks to submit an alternative stationery price list. Officeworks has several options available to parents ranging from *self-pick n pack in store* to *online home delivery* which is a free service.

Students in Years 11 and 12 use a range of study guides and workbooks depending on their chosen subjects. A list of online suppliers will be included in the Booklist pack should parents choose to buy study guides and workbooks online. Generally you can only purchase with use of a credit/debit card.

Parents of Year 11 and 12 students who prefer to shop online for study guides and workbooks are advised to place orders by mid December at the latest as limited numbers of study guides and workbooks are printed each year. Delivery charges will apply and some study guides and workbooks, though ordered at end of year, are not released until later in the year.

YEARS 7 TO 10
With the introduction of e-workbooks and online resources we are now seeing a mix of both electronic and hardcopy workbooks and resources being used in the classroom.

In subjects at a year level where students have a workbook or resource in common (electronic or hardcopy), the School will buy in bulk through the School Bookroom and deliver to the student via the subject teacher.

*For example:-*
All Year 8 students use ScienceWorld 8 Workbook - the School will purchase this item in bulk.
All Year 8 English students will use an e-workbook – the School will purchase the necessary accesses in bulk.

Items purchased in bulk by the School will no longer be listed on the School Booklist Order Form.

The cost of those items will become part of tuition fees. There is some savings to parents with the School purchasing in bulk.

*The greatest advantage of this measure is that all students will have the necessary items or accesses at the commencement of the school year for the subjects involved.*
YEARS 11 AND 12 PHYSICAL EDUCATION STUDENTS
It will be compulsory for all students enrolled in Physical Education SACE 1 and 2 in 2014 to purchase a numbered PE singlet which will be used to identify the student during practical assessments.

Students (currently in Year 10 and 11) who have chosen PE in Year 11 or 12 in 2014 will be required to go to the Uniform Shop in Week 5 to be fitted and to sign off on the size required. Students will be advised of this.

An order form with the price will be sent home. This item will need to be paid for by NOVEMBER 28.

The SACE PE singlet will be ordered in the first week of December with an anticipated delivery time to coincide with school commencement in 2014.

The item may be offered for resale on consignment through the Uniform Shop when the student completes Physical Education SACE Stage 2 or if the student leaves the subject earlier.

CURRENT YEAR 12 STUDENTS
Year 12 students have received their final communication from Student Services advising them of the following:
- Hire books that are still booked out in their name and due dates for return
- Locker clean out and return of locks
- Uniforms to be offered for resale
- Returning all other items belonging to the school
- Arrangements for picking up Manual Arts projects
- Exams - wearing formal uniform and bringing emergency supply of requirements for the exam
- Wearing either summer or PE uniform if needing to come into school

A reminder that the last day for Hire Book returns for Year 12 students is the last day of Year 12 Exams. Invoices for outstanding Hire Books will be forwarded to parents immediately after the final exam.

On Presentation Evening Year 12 students will be presented on stage to the School Community as the Graduating Class of 2013. Girls are reminded to wear their best summer uniform at the correct length with blazer and white socks and boys are to wear their long sleeved shirt, trousers, tie and blazer. We ask our graduating students to be presented at their very best on this evening, their last occasion as students of Temple Christian College.

CURRENT YEAR 11 STUDENTS
In Week 4, Year 11 students will receive their final and updated copy of Hire Books currently booked out to them.

This will enable Year 11 students to check their list to ensure it is accurate and give them time to see Miss Vanderveen in the SSO to resolve any issues.

Year 11 students will have a designated Locker Clean Out Day just prior to their last day of formal lessons.

Hire Books not required for exams and all other items belonging to the School should be returned before the student goes on study leave. Where a hire book is required for exam preparation, the hire book is to be returned to the SSO on the day of the exam. Invoices for hire books and other hire items not returned will be generated on the last day of Year 11 exams.

COLLECTING LARGE PROJECTS
Students should make firm arrangements with their teachers for the collection of large projects and pieces of work which need to be picked up by parents. All work should be collected by Friday, Week 8 which is the last day students are on campus for 2013.
UNIFORM MATTERS

Parents of Year 11 students,
Our senior students are expected to set an example for their younger peers.

In preparation for this, senior staff will be conducting uniform checks for students in Year 11 in Weeks 3 to 5 in readiness for exams and for Year 12. Condition and compliance of uniforms will be checked. Students will need to address all uniform issues before the Year 11 examination period.

As our most senior student representatives, all students entering Year 12 at Temple Christian College in 2014 are expected to be presented at their very best.

Please can you note the following:

- **A small plain stud or sleeper is permitted in each ear lobe.** The school does not permit students to wear multiple earrings or other paraphernalia in the way of piercing rings or studs. The school does not permit plastic, transparent rings or studs or band-aids to be worn to cover earrings or piercing rings. Non-compliant items will be confiscated.

- **Jewellery is limited to a small cross on a narrow chain and a wrist watch suitable for school.** There should be no rings, bangles, ankle or wrist bracelets, necklaces or other jewellery. If a student feels strongly about a purity ring as a symbol of a genuine faith-statement, it may be worn on a narrow chain around the neck but it must remain out of sight. Non-compliant items will be confiscated.

- **Girls must have a natural look when it comes to their presentation.** Girls should not be wearing makeup, nail polish or hair styles or colourings which are not consistent with School Expectations. Girls will be directed to the SSO to remove makeup and nail polish and will also receive a $5 fine.

- **Boys are to be clean shaven every day.** Boys are to have hair styles and length consistent with School Expectations. Boys who are unshaven will be sent to the SSO and will need to shave. A $5 fine applies.

MUSIC TUTORIAL STUDENTS

Parents and students are reminded of their obligations when it comes to having instrumental lessons at school.

Two weeks written notice prior to the end of the term must be given if your child is not going to continue lessons the following term, otherwise you will be charged for that Term’s lessons.

Notice must be given in writing to the Head of Music, Mrs Eliza Buckoke

A FRIENDLY REMINDER

Term 4 School fees are now overdue

Please be reminded that unless you have an approved payment plan in place, school fees are due within the first two weeks of the school term.

Please organise payment if you have yet to make payment. If you have any queries please contact Denise on 8405 0935

ARE YOU RETURNING IN 2014?

ONE FULL TERM’S WRITTEN NOTICE to the Principal is required when a student intends to leave the school. This means that if your child will not be returning next year you will need to notify the school.
2013 YEAR 6/7 SOCCER CARNIVAL

On Wednesday 18th September our boys and girls 6/7 soccer teams played in the SACSA Soccer Competition. There were quite a few teams with 13 boys teams and 11 girls teams entered into this year’s tournament. It was a very enjoyable day with our girls team progressing to the semi-finals and the boys narrowly missing out. Well done to all our players for your efforts and fantastic attitudes.

6/7 Bethany Girls – Equal 3rd Place
Back Row L-R: Mr Bajkusev (Coach), Mrs Boxall (Manager), Monique Kingsada, Caitlyn Brooks, Kaylah Ly, Chloe Porter, Precious Mundangepupfu, Mwangaza Nturubika, Kaylan Joy (Assistant Coach)
Front Row L-R: Madison Spiegel, Furaha Nturubika, Daniella Aliaj, Brooklyn Smith (C), Crystal Camilleri, Aurelia Czudek, Sayda Rim

The girls came into the tournament full of enthusiasm. They embraced the event and showed what teamwork and sportsmanship is all about. They finished on top of their group and worked hard in the semi-final where the result didn’t go their way. A fantastic effort by all the girls and may they continue the friendships and sportsmanship in all future sports pursuits. Thanks girls.

Mr Bajkusev

6/7 Bethany Boys – 7th Place
Back Row L-R: Mr Mabikafola (Coach), Ethan Moore, Shaun Chan, Brandy Nguyen, Jaidyn Purdie, Justin Miu, Tyler Carroll, Bora Thach, Ethan Huynh, Kaithlyn Miu (Assistant Coach)
Front Row L-R: Cooper Hill, Jai Greenfield, Joel Cubberley, Mitchell Nivison (C), Nathan Bassham (VC), Ethan Fossey, Cameron Grundel, Cameron Joy
Mrs Cherie Boxall (Manager) - not pictured

Having a team made up primarily of Year 6s playing against bigger Year 7 players the team performed extremely well under the leadership of Mitchell Nivison (Captain) and Nathan Bassham (Vice Captain). The boys lost just one game all day and were always highly competitive. Mitchell, Bora and Joel scored some amazing goals on the day – some of the best I’ve ever seen. Well done lads and thank you for your hard work, courage and determination.

Mr Mabikafola
In this mission, we join with people from around the world to fill shoe boxes with gifts that will be delivered to children in areas devastated by poverty, war, disease, famine or natural disaster. It is part of Samaritan’s Purse outreach.

This is a Care Group Project. Together a Care Group chooses the gender and age of a child and fill a gift box with suitable items.

Items that can be packed include: T-Shirts, shorts, underwear, caps, beanies, sandals, soft toys, notebooks, stickers, pencil cases, pens, pencils, sharpeners, erasers, chalk, flannels, soap, tennis balls, cars, skipping ropes, marbles, musical instruments, yo-yos, puppets, sunglasses, bangles, craft kits.

Items not to be included: glass or fragile items, liquids or pastes that melt, food, lollies, medicines, second-hand items, war toys or toys that harm or scare a child, gambling items including cards, items that are religious, racial or political in nature.

Boxes will be packed in Week 5. The cost to send a Shoebox is $9.00. If you would like to donate the cost of a shoeboxes postage, please send the money with your child to Care Group.
