Dear Bethany Campus Community
Firstly, I’d like to say it is fantastic to be back at Bethany Campus after my knee replacement surgery. Thank you to all the staff, students and families who have supported me during the past eight weeks of recovery, especially in prayer, and also the lovely gifts given to me that I have enjoyed. We truly have an amazing community.
I was told before my operation that knee replacements are the most painful when it comes to rehabilitation and I can confirm that. My apologies to anyone reading this Newsletter who is scheduled to have one. However, the good news is that if you do the hard work needed in the first three months and break through your pain barriers, you will have success. As they say, “No pain, no gain!” With God’s help, your prayers and the wonderful medical staff, physios and support staff working with me, I am ahead of schedule in recovery and for that I am extremely grateful. I appreciate your ongoing prayers for a full recovery.
Congratulations
Congratulations to Sarah and Adam Wolf on the birth of their daughter and to Crystal Camilleri and Brooke McDonnell for their netball successes at SA State level. The details of these achievements are in a separate section of this newsletter.

Parenting Ideas/Insights
This weeks Insight is on “Raising Space Cadets”. Michael Grose shares excellent control concepts for students with anger, frustration or anxiety issues, which causes them to react and explode immediately without thinking through the issue and the potential consequences.

PNG Missions Trip
In the following pages our Principal Marcel Rijken shares about Temple’s Mission Trip to Papua New Guinea with lots of photos.

God Bless

R J Klimionok

Congratulations to Brooke McDonnell who has been selected to play netball in the U17 State Rep Regional Squad in October. Well done Brooke!!

Congratulations to Crystal Camilleri for being selected by the Northern Metro Netball Academy to participate in the annual Regional Championship during the school holidays. Crystal’s team won ten out of the eleven games, which were played over three days, and went on to win the grand final. It was a great experience for all of the girls, and they represented themselves and the Northern District very well. Well done Crystal!!

The Uniform Shop will be closed on Monday 18th August.
Sorry for any inconvenience this may cause.
Dear School family,

I write this piece in the plane as we return to Australia having had an amazing 10 days with our Temple Missions Team in Papua New Guinea. I always have a great sense of relief when we are safely all together travelling home.

Our team of 11 students and 4 staff spent most of the time working with classes at the Sunrise Bethel Christian School in Port Moresby. From the moment we arrived we were warmly welcomed and made to feel part of the family. The PNG people are really friendly and generous. Roger Tumes the Principal of the school, and his wife Jill were wonderful hosts and we are so grateful for how well they looked after us throughout the ten days.

Our students ran an elective program offering the primary students from Reception to Year 6 an opportunity to experience dance, drama, music, art, computing, physical education and cooking. The Sunrise Bethel students really loved all the activities and it was greatly encouraging to see how responsive and enthusiastic the students were about all the activities. Our Temple students were really exceptional in how they led the sessions and encouraged their new pupils. There were clearly many a teacher in the making.

Our team were also able to assist with an outreach through the Bethel Centre ministering to children in the local area. Our students were able to lead games, make lots of balloon animals and enjoy spending time with the kids.

One highlight was being able to go out to the local village Gaire, about an hours drive from Port Moresby. Here the boys were able to join the village men in fishing out on the reef, while the girls joined the local women in gardening. The students also got to spend the night sleeping on a traditional grass mat. Not the most comfortable nights sleep, but well worth the experience.

We also had our challenges with some students feeling unwell at times, but to their credit they persevered, showing great resilience and character.

We are so thankful for God’s covering throughout our trip. It was such a blessing to be able to live life with our extended school family in Port Moresby. It was a real highlight to share in praise and worship together and to learn some songs in Pidgin. God really is doing an amazing work at the Sunrise Bethel Christian School in Port Moresby. We look forward to many more mission trips to PNG in the future, as they are such a blessing, not only for those that we reach out to, but also for each of us on the team, seeing the work God is doing and helping us understand His call on our life.

Term 3 is a great term, the days get longer, the weather gets warmer and there are no exams this term. We also have a number of great events this term.

Our scripture for this term comes from Galatians 5:22-25. In the NLT it reads:

“But when the Holy Spirit controls our lives, he will produce this kind of fruit in us: love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, and self-control. Here there is no conflict with the law. Those who belong to Christ Jesus have nailed the passions and desires of their sinful nature to his cross and crucified them there. If we are living now by the Holy Spirit, let us follow the Holy Spirit’s leading in every part of our lives.”

PARENTS & FRIENDS
As parents, a vibrant school community is important to us. Being involved in the Parents and Friends group not only gives us the opportunity to be actively engaged in supporting events and initiatives, but provides a wonderful avenue through which to get to know and work alongside other parents. Together we make a difference in the life of the school.

If you would like to join us an invitation is extended to all interested parents and friends to join us at any of the Parents & Friends meetings held through the year.
