Dear Bethany Campus Community,

Welcome to the 2015 school year and a very special welcome to all the new students and new families who have joined us this year. The scripture for this term is very well known and is from John 14. It is the last supper, Jesus has washed His disciples feet and shared with them that He would be betrayed. He encourages His disciples with the words “Don’t be troubled. You trust God now trust in Me. There are many rooms in my Father’s home, and I am going to prepare a place for you.” The disciples were confused and did not understand where Jesus was going. Jesus replies “I Am the Way, The Truth and The Life. No one can come to the Father except through me.” We currently live in a society that stresses the importance of political correctness. Jesus stating that we can only come into a relationship with God through him would be offensive to many non-Christians as he really states that it is an exclusive faith, not all paths lead to God, it is only through Jesus our Lord and Saviour. At Temple we believe the truth of God’s word and it is not for us to pick and choose the sections we like or don’t like. We take on board all of God’s word, coming into a relationship with God through Christ, led by His Holy Spirit. The year has begun really well and I have been really encouraged with how well so many of our new students have settled into the life of the school. Community and having a sense of belonging are really important to us. We trust and pray that every student would feel encouraged being part of the Temple community.

I do realise that this is not always the case and that at times situations arise that are difficult. It is really important that as parents you connect with the school early if you have any concerns. We will always endeavor to deal with concerns sensitively. Please do not assume that everything your child shares at home is something the school is aware of. A quick phone call or email can make a significant difference. Parents can connect with the Student Services Office if you have any concerns. So often the situation can be dealt with easily and sensitively if we are aware of it before it is allowed to escalate over time. This Newsletter contains a number of pages with details on how the Student Services Office operates.

Traffic & Carpark Rules
Please read the information sheet in this Newsletter to avoid receiving Expiation fines and Demerit points.

Camps
The Year 12 and Year 10 students have completed their camps, and by all reports have had a great time. There will be articles and photos in the next newsletter.

Swimming Carnival
Well done to all the students and staff involved in the Swimming Carnival and a special thank you to Mr Joshua Lloyd and his team on the excellent organization of the carnival. It was a beautiful day weatherwise, and a great community building time. Congratulations to all the Age Champions for your fantastic effort, and to West House on winning and getting your name on the Trophy, back to back. Swimming Carnival results and photos are included in this Newsletter.
Care Group Interviews and BBQ
I look forward to seeing families in Week 4 on Wednesday February 18 at the Care Group Interviews and Year 7 Information Meetings. Our special Family BBQ, which is open to all our families, is held on the same night. It is a great night and a wonderful opportunity to meet the new friends that your child has made, and their families. The relevant information has been sent to you separately. For Year 7s send in the RSVP, for Years 8 to 12, book your interview time online, and send in your RSVP for the BBQ. An extra Laptop Information and Collection Session for the Years 7s will occur at 5.30pm. Laptops will only be issued if a parent attends.

Congratulations
Congratulations to the elected House Captains, to Simran Chand, the 2014 Dux of the School, and to Jasmine Burfield, who has been awarded the CSA Tabor Adelaide Scholarship. Congratulations to the 29 Year 12 students from 2014, who received offers for University or TAFE, and to others who are doing Internships and Apprenticeships. A list of offers is included in this Newsletter.

Parents & Friends Meeting and Prayer Meetings
Our first Parents & Friends Meeting is on Tuesday, February 10 at 7.00pm. Anyone wanting to attend is welcome. Prayer Meetings also start on Wednesday February 11 at 2.30pm in my office. This year we will not be having Prayer Breakfasts, but we will be organizing Prayer Walks instead.

Information
This Newsletter is filled with lots of information and school procedures and policy changes that have been implemented. Please read through carefully, and call the school if you have any questions. Keep the newsletter in a place at home, so it can be referred to as needed.

Insights
Our Parenting Article talks about how important it is to make a smooth start to secondary school and gives some helpful hints.

I’m looking forward to an exciting 2015.

God Bless
R J Klimionok

Congratulations to Year 8s Bora Thach, Shaun Chan, Joel Cubberley and Kane Cope who were selected to play Indoor Soccer at the National Futsal Championship in Sydney from January 10—15 this year. With Bora as team Captain, the boys displayed an impressive effort, representing the state in the U13 SA Futsal, demonstrating an excellent attitude in terms of team work, discipline and courage. This year is the first year that SA has joined in at the National level in U13. The team may not have taken the Championship trophy, but they played hard and gave it their all!

The next event for the boys will be at the National SACSA Soccer Carnival in May, and this time they will compete at the Gold Coast, Queensland, representing South Australia.

DUX OF SCHOOL
Congratulations to Simran Chand for achieving Dux of the Bethany Campus with the highest score of 99.25.

Congratulations also to Jasmine Burfield for being awarded the CSA Tabor Adelaide Scholarship. This will be presented to Jasmine at Chapel on February 23.

Parents and Friends
As parents, a vibrant school community is important to us. Being involved in the Parents and Friends group not only gives us the opportunity to be actively engaged in supporting events and initiatives, but provides a wonderful avenue through which to get to know and work along side other parents. Together we make a difference in the life of the school.

If you would like to join us an invitation is extended to all interested parents and friends to join us at any of the Parents and Friends meetings held through the year.

Outstanding Fee Accounts: Please note that an overdue account charge of $10 per month will be charged from Term 2 if fees are not paid by due date (the 2nd Friday of each term) and there is no agreed payment arrangement in place. Please contact the School urgently on 8405 0935 if you have an outstanding fee.
Laptops

As students in Years 7 to 12 receive their hire laptops, the IT Department will be going through some guidelines as to how they can be looked after. Parents and carers can help as well by being aware of these guidelines and then supporting their child/children in following them:

- Laptops really need to stay in their case at all times – the case has been designed to allow full use of the laptop without needing to remove it. The cases are very sturdy and will protect the laptops from moderate impact/drops.
- Laptops need to be charged at home each night, since charging for hundreds of laptops cannot be provided at school. Students should see coming to school with a charged laptop the same as arriving with the right books and stationery for the day.
- Laptops should not be used on or while waiting for the bus or train. If students are seen with expensive devices on public transport, they can be put at risk by becoming targets for theft. Instead, laptops should stay inside school bags to and from school.
- If something breaks, or anything else goes wrong, inform the school. Spare laptops can be provided while broken ones are fixed. We see the laptops as an essential tool for students, the quicker we can get them back to using one, the better.
- Back up is essential. If something happens to a laptop it is not always possible to recover data. Students should make copies of important documents and assignments. Don’t rely on a USB stick as they can often fail. Portable/external hard drives are more reliable. Always have at least two copies of work that is important.
- If a laptop is physically broken (for example, a cracked screen), there will be a cost to get it repaired. If repairs are needed, you will be sent a letter to let you know the cost and how to pay.

If you have questions regarding the laptops, either visit the information page at laptops.templecc.sa.edu.au or email laptops@templecc.sa.edu.au and the team will do their best to get back to you quickly!

Please note that Year 7 Laptops will be given out to parents/caregivers at the Laptop Information & Collection Session to be held on Wednesday February 18 at 5.30pm.
I am greatly blessed with a wonderful team of leaders. This will be our ninth year working together as a team and it has been fantastic to see the growth that has occurred over this time. The primary focus of the Year Level Coordinators is to offer support in the area of Student Development. This includes the organisation of activities to help build positive relationships in their Year Level, the provision of pastoral care, monitoring of student progress and assisting in developing strategies to both encourage positive behaviour and improve negative behaviour. In doing so, they will liaise with the Assistant Principal – Student Development as well as our Student Mentors along with Care Group teachers. The Year Level Coordinator is an excellent first port of call for parents with questions, comments or concerns about their child’s progress at School, and they welcome your call or email.

We look forward to the very positive impact our Coordinators will have on the life of the School this year. 2015 will be a very exciting year and we trust in God’s continued presence, leading and guiding.
Uniform Matters

It has been noted that there are a number of summer dresses that are not meeting the uniform code in relation to length. Girls summer dresses are required to be "Floor length when kneeling and no longer than 14cm below the knee" as per the uniform policy in the front of your child’s planner. Please make sure your daughter’s summer dress is the correct length, and hems are altered, if they need to be.

Students are to wear a cross-trainer or proper sports shoes with the PE Uniform. Vans, casual sneakers, slip on shoes and velcro straps are not suitable for PE.

Please note: incorrect uniform attracts a consequence of a lunchtime detention.

Students who continue to wilfully disobey school rules in regards to Uniform may receive automatic After School Detentions on each occasion they are in breach of the school rules.

After School Detentions

An After School detention is given when a student has received three lunchtime detentions or as a result of a more serious behavioural issue.

The After School Detention is scheduled on a Wednesday afternoon between 3.15pm and 4.00pm.

In most cases, students who receive an After School Detention are advised by way of a personal notification given out in Care Group and their name is listed in the Student Notices as a reminder. A copy of the Student Notices is posted each day in the SSO. It is the student’s responsibility to check Student Notices if they miss Care Group and to take the notification home to parents.

A further notification will be mailed home as a courtesy to parents prior to the day of the After School Detention. An SMS will be sent to parents where a notification will not arrive by post in sufficient time.

If the student has a medical appointment or a work commitment, parents may write a note in the Planner or telephone the school to so advise. Once parents have contacted the school, their child is to see Mr Hudson to negotiate another afternoon in the same week.

Where no prior arrangement is made, non-attendance will result in a further After School Detention.

Please note: 3 After School Detentions = Saturday Morning Detention

School Day

Please report absences and lateness by phoning the SSO direct on 8256 9624 or by SMS on 0459 176 937 before 9.15am. This mobile number is a virtual number and only accepts SMS messages.

Lateness

The morning routine of the school is very important to how quickly staff and students settle into the day.

Students who are late to Care Group may not be marked on the Roll and miss important information distributed in Care Group. Students who are late to class disrupt the teacher and fellow classmates.

The first bell goes at 8.30am. At this time students should have organised all of their materials for lessons up to recess time and be on their way to Care Group.

The bell for start of Care Group goes at 8.35am. Students arriving after the 8.35am bell are LATE.

A good morning routine at home including time for breakfast generally means a student is in a good frame of mind and prepared for the day.

Ongoing lateness due to public transport and traffic is not considered a legitimate reason for lateness. Students are to plan their travel to ensure they are at school in time to prepare for the day ahead.

The consequence for lateness is: 3 x late in one week = a Lunchtime Detention. Ongoing lateness for no good reason may incur automatic After School Detention.

Lateness due to urgent family matters

The school appreciates that, from time to time, urgent family matters arise leading to lateness. In such cases, parents should sms the school ahead of time to advise of lateness and the reason OR a note should be placed in the School Planner to be shown to SSO Staff on arrival. The SSO staff will provide a note to the student to be shown to the teacher upon entry to class.

The result of no communication from a parent may mean a student receives a consequence.

Appointments

Every effort should be made to arrange appointments outside of school time. In the event this is not possible, a note in the Student Planner should support late arrival or early departure. The note is to be shown to the SSO Staff at the time of signing in/out. Early departure should coincide with change of lessons. A note in the School Planner will need to be produced to the subject teacher in order for a student to be released from class.

Please be advised the school does not recognise attending driving lessons or sitting driving tests as a legitimate reason for absenteeism. This is to be done in the students own time.

Locks and Lockers

All students are to use a school issued lock and have been allocated a locker. Students have been advised as to their responsibilities in terms of use and care.

Students are to report damage to lockers and damage or tampering with locks immediately to Mr Hudson.

There is a range of consequences in place for wilful damage and students who fail to follow school procedure resulting in damage. This extends to cost of repairs or replacement.
Those staffing the Student Services Office have had a busy start to the year and thank parents and students for their patience whilst we settle into daily routines.

**Medical and Emergency Contact Details**

Please contact Mrs Tracy Garton, Student Services Office, as a matter of urgency if you need to

- update medical information
- advise of medication the student is taking

Where there is an ongoing medical condition, parents are required to submit an updated Medical Management Plan for their child at the commencement of each year. If you have not already done so, please attend to this as soon as possible.

Please be aware, in a medical emergency, ambulance drivers need as much information as possible. This includes information on pre-existing medical conditions and any medication being taken.

**Ambulance Cover**

Subject to the existence of a medical emergency, ambulance transport will be provided to the nearest appropriate place of medical aid. Benefits apply only whilst the student is:-

- in attendance at normal school activities during normal school hours
- participating in a formal school activity either at or away from school during normal school hours (for example Inter-school sports and school excursions) where parents are not required to be in attendance.

The Ambulance Insurance does not cover attendance resulting from non-school related incidents (for example diabetes, asthma, substance abuse), non-emergency or elective transport, travel between home and school.

The school has a duty of care for all students. In a medical situation which is outside the scope of School First Aid Officers and where the School has been unable to establish contact with either parents or emergency persons supplied by parents, the Student Services Office will contact the Principal (or the designated member of School Leadership in his absence) to seek permission to call for an ambulance.

In such a situation, the student is released into the care of the hospital to which the student is transported. Hospital staff will continue to try and contact a family member.

**Student Driver and Passenger Forms**

Student Driver and Passenger Forms are available from the SSO for students in Years 11 and 12. Parents are asked to fill out all information as required and return to Mrs Tracy Garton, Student Services Office, as a matter of priority. Failure to hand in the required forms will mean a student will be banned from driving to and from school.

Please note the Student Driver and Student Passenger forms only cover driving to and from school.

The School does not permit students to drive to excursions, camps, and other school organised activities except in extenuating circumstances. A written request is to be made by the parent prior to the event. A clear indication is to be given if siblings are to be transported at this time. Students will not be permitted to carry other student passengers. All requests should be made to Mr Tony Hudon, Assistant Principal, Student Development.

For the University student within your family / To the 2014 Year 12’s:

ES (Evangelical Students) is an interdenominational Christian group that can be found on almost every university campus around the country as part of the larger AFES group (Australian Fellowship of Evangelical Students). In South Australia, there is a camp to begin the year. This provides students with the opportunity to make lots of friends before hitting campus and also think about how their relationship with God may impact this new adventure.

For Flinders, UniSA Mawson Lakes and Magill: 19th-22nd of Feb. For more information or to register visit http://es.org.au/ccamp/
On Friday of Week 1, we took the whole school to the Salisbury Swimming Pool for our annual Interhouse Swimming Carnival. This year, we were blessed with a much better temperature than last year’s 40 degrees. As a result it made for a great day of fun and competition, including some very creative costumes and team songs. There was a lot more effort put into some of the songs, that included live music to back up the chant.

Throughout the day we had a lot of close races, with many of the age champions only being decided by a couple of points. This year’s age champions were:

Traffic Guidelines

It is the responsibility of both the school and parents to ensure that children are kept safe when walking near and through the traffic before and after school. From discussions with the Salisbury Council and our Liaison Police Officer, Temple Christian College and Bethany Christian School have put a number of safety measures in place. These measures include a roster of staff members at the various crossings, as well as supervision of the turning circles. As the safety of our students are paramount, we ask that you adhere to the following traffic safety rules:

01. Please take notice of the **No Left Turn** between 8 - 9am and 2.30 - 3.30pm at the Temple Christian College Entrance and Bethany Christian School Exit. Please do not block the roadway when turning into the Temple/Bethany car park and allow for local traffic to use Countess Street both ways.

02. Do not park or drop off students in the East Carpark (behind the East Building). This is for staff cars only.

03. Please do not park on the verge, as you may receive a fine from the council; also as we are trying to grow grass between the footpath and the road.

04. Be considerate to our neighbours and do not park across their driveways. Be mindful of the fact that they still need to enter and exit their properties and sometimes it can be a made difficult task when multiple cars are parked next to and opposite their driveways.

05. There is no parking or standing at the drop-off and pick-up Turning Circles. This means that if your child is not waiting for you at the pick-up area, we ask you either park in a designated car park or find a local street without a yellow line, or drive around the block and drive in again.

06. In the Carpark through traffic should drive on the left lane, while Bethany Christian School pick-ups need to stay in the right hand lane. You will only have 20 seconds standing time in the Turning Circles for your child to get to the car before you will be asked to move on. The speed limit in the carpark is *50kmph AT ALL TIMES.*

07. **Emu Crossing** - Countess Street. The Emu Crossing is manned from 8.10am to 8.30am and 3.00pm to 3.30pm, by trained student monitors. These monitors will stop traffic once there is a number of students and families waiting. Drivers need to be aware of the [25kmph](https://www.sal中期水池) rule in place and must stop at the white line to allow pedestrians to cross. Please also be patient and show respect to our student monitors.

08. **Pedestrians**
   
   a. When crossing Countess Street, please make sure you use the Emu Crossing. Be aware that under the Road Traffic Act and Australian Road Rules, it is an offence to cross the road outside of the prescribed pedestrian crossing lines. An expiation fine of $45 will apply to pedestrians breaking this rule. Please also be patient and show respect to our student monitors.
   
   b. Please walk on the paths, especially at the Temple and Bethany front gates, and do not walk across the turning circles, as there have been a number of ‘near misses’ involving students, as well as their younger siblings.

We understand that these safety measures may cause you a short wait and can be frustrating during peak times, but this leads to greater safety for our children, so please be patient.

Fines

At times the Salisbury Council do give tickets to any parents who are parked where yellow lines are painted, to parents who leave their vehicles when parked on broken yellow lines, for speeding in a school zone, and also for turning left into the carpark, so please avoid these unnecessary fines by following the rules. Be aware that the police can issue expiation notices (fines) of $365 and 3 demerit points.

New Liaison Police Officer

Senior Constable Melissa Pepper has now moved on to a new position with the Elizabeth Police. Our new liaison officer is Constable Kristy Dodd. She has already significantly supported our school and has been able to clarify and advise us on traffic issues and laws.
Matt King and Karen Vander Veen

It is an honour and a privilege to be able to serve the Temple College community and its students in our role as Student Mentors. More than that though, it is a great pleasure to work alongside parents and staff to provide support and assistance for our students in facing a range of issues and circumstances.

At the heart of our role as Student Mentors is our love for God and the students. We want to see our young people encouraged and anchored in their faith in Jesus so that they are able to meet every challenge that comes their way with purpose, integrity and conviction.

The What... The Student Mentor’s Office operates five days each week during term time and our level of involvement includes (but is not limited to) scheduled appointments with students, in-class support and involvement with the school assemblies, Breakfast Club, Christian Living classes, camps and excursions.

The biggest (and often most enjoyable) part of our role is building relationships with the students as we meet with them in different ways throughout the week. This gives us the opportunity and privilege of being let into their lives in ways we would not otherwise be able to be and provides for them a safe place to be able to discuss the big stuff that comes up in their lives.

The How... Students wanting to see us are encouraged to make an appointment where possible but we are available also for emergency support or to speak to students who need to talk more urgently. In addition, referrals are often provided by Teaching Staff and Student Services Staff as they become aware of struggles students may be facing in relation to behaviour, the effects of ongoing illness, or even when students just seem to be not quite their usual selves.

Matt has a particular passion to see young men reach their potential through good decisions. “We live in a world where information is easily accessible but good morals are seldom seen. I believe that by being an example and encouragement I can influence young men positively to be great fathers, husbands and leaders for our future, based on the principles found in 1 Timothy 4:12; “Don’t let anyone look down on you because you are young, but set an example for the believers in speech, in conduct, in love, in faith and in purity.”

Karen has a real passion to see young girls reach their God-given potential, to know how valuable they really are. “It is my desire for them to know who they are in Christ. I love to see young girls reach their God-given potential, to know how valuable they really are. “It is my desire for them to know who they are in Christ. I love to see our young people encouraged and anchored in their faith in Jesus so that they are able to meet every challenge that comes their way with purpose, integrity and conviction. We pray that our students will go on from their studies at Temple as fully committed followers of Jesus who passionately pursue His will for their lives and a future in Him of hope, destiny and purpose.

We are looking for more volunteers to help in the school this year. If you can help us out at any time, once a week, once a month or once a term it would be greatly appreciated. If you have offered to help, but have not yet organised your Police Clearance, please organise that as soon as possible and send us a copy so we can add you to the Roster.

If you have any questions regarding volunteering or the Police Clearance, please contact Margie Murphy 8256 9600.

To make an appointment with a Mentor, please put your name down at the Student Services Office.

There were also a number of records throughout the day by individual students:

Communication Procedure

The following is Temple Christian College’s Communication Procedure. The options available to contact staff are: through your child’s Student Planner, via email (see list below), or a phone call to the School on 8256 9600.

If you have an enquiry regarding a student issue (e.g. challenges with socialising, bullying, health, etc.), please contact your child’s Care Group Teacher. Most issues can be resolved by speaking to your child’s Care Group teacher, who can often liaise on your behalf with other staff members.

If you have an enquiry regarding an issue with a specific Subject (i.e. what your child is learning, your child’s progress, learning challenges, teacher-student concerns, your child’s behaviour in class), please contact the teacher of that subject.

If you have an enquiry regarding a behavioural issue and have already met with the Care Group/Subject teacher concerned, please contact Mr Tony Hudson (Assistant Principal—Student Development).

If you have an enquiry regarding learning or curriculum issues and have already met with the Subject teacher concerned, please contact Mrs Eliza Buckoke (Assistant Principal—SACE/Curriculum).

If you have followed the communication procedure outlined above and the issue is still unresolved, an appointment can be made with the Campus Principal, Mr Rod Klimionok.

Our goal is to resolve, to the best of our ability, all challenges that your child might be facing at school. This can best be done by following the communication protocol outlined above. Leadership can only proceed with matters if this procedure is followed.

School Photo Day is: Tuesday February 17

Photo forms will be going home soon with your child

Bethany Campus 2015 School Calendar

Copies of the Parents & Friends 2015 Calendar are available to be purchased from the Front Office. It is packed full of photos of the students, has many of the schools special events for this year already marked in their dates, and has enough space in the calendar section to write in. All funds raised support Parents and Friends activities, such as the Breakfast Club.
