CONGRATULATIONS

Congratulations to Michael Mills who was accepted into Medicine at Adelaide University. Michael graduated in 2009 with an ATAR 93.15 and initially was accepted into a Bachelor of Engineering. He then had a desire to study Medicine and applied but did not gain entry. He was not deterred and continued with a year off and then gained entry into a Bachelor of Health Studies for a year. Michael was very determined and hard working continuing with his studies and applied a second time and has now been successful for 2012.

Medicine would be one of the most difficult courses to gain entry. This is a wonderful testament to Michaels hard work and perseverance. I trust it can be an inspiration to others.

A FRIENDLY REMINDER

Term 1 School fees are now due

Please be reminded that unless you have an approved payment plan in place, school fees are due within the first two few weeks of the school term.

If you are unable to make payment by the due date
Please contact Denise on 8405 0935 to discuss payment options

CYCLING

Temple Christian college is putting together a cycling team to compete against other schools throughout the year. However we are in need of some more bicycles, so if anyone has an unused road bike of any condition and would like to donate or sell at a good price to the school, that would be most appreciated.

Please contact Brad Adams by email:
brad.adams@templecc.sa.edu.au

Temple Christian College

Marcel Rijken, Principal, invites you to our
