South Australia: Winners 2012
Channel 9 Young Achiever Awards
V.I.P. Home Services Small Business Achievement Award

Chris wanted to own a building company from a young age. Through study and hard work in various areas of construction, he became the youngest person in Australia, at 20, to become a registered builder and supervisor for residential construction. Starting his company with a few jobs on the side, Chris quickly progressed from building two houses in a year to ten. In 2008, he decided to focus full time on his company, "Endeavour Quality Homes". The business now has five full time office staff including his previous boss, and over 120 subcontractors, building 50 houses a year, and growing. Congratulations, Chris.

**Continued Page 1….**

I received great feedback from parents regarding our new system for booking Parent/Teacher/Student Interviews. The new system called P+O was very efficient and made the process so much easier. It was great to connect with many parents on the night and I am greatly encouraged by the community God continues to grow in Temple. Our scripture this term is from, John 10: 11-14. It is where Jesus declares that He is the Good Shepherd who is willing to lay down His life for the sheep.

This scripture reinforces again our role as shepherd’s and reinforces the scripture that we had in Term 1.

**Cross Country 2012**

The rain just held off on Tuesday, Week 1, for our annual Cross Country Carnival down at Bonython Park. It was another successful day and being compulsory for all students to run/jog or walk the track, it was certainly a whole school event. The 3-4km Course was slightly different this year due to Circus Royale taking some of our area, but it made it all the more interesting for our students.

The results are on the right:

- First place getters received a ribbon and a medal and 2nd and 3rd received a ribbon...
- Thanks to everyone that helped including staff, students and parents.

Zoe Steele, *PE/Sports/Health Coordinator*
