Dear School Family,

Open Evening was a wonderful celebration and it was fantastic to see so many of the school family on the night. God has richly blessed us with very talented and hardworking students and it was great to see their gifts and talents displayed and demonstrated on the night. I love the community feel, and often joke that even if we didn’t have any visitors the school community would still have a great night.

Thankfully we did have lots of visitors and it is the presence of the school community that makes such a difference to the visitors.

It was also great to see many Old Scholars coming and saying ‘hello’. They were very amazed at the significant changed that have occurred over the years. God is drawing more families to join the Temple community and this is always exciting.

I would to thank the staff and the student for the displays and many activities held throughout the night. I would also like to thank the Parents and Friends for all their hard work in cooking, preparing and serving food on the night. Open Evening is a massive team effort and it is great to be part of a terrific team.

Currently we are full in Year 8 this year and have some students on a waiting list. If the list can grow by an extra 8 students we could look at having 4 Year 9 Classes for 2013. If you know some families that would be interested in Year 9 next year it would be good to encourage them to contact the school.

The National Christian Schools Swimming Championships were held in Adelaide last week at our new Aquatic Centre at Marion. Students from Temple that were selected for the team where Aric Pearce, Isaac Johnson, Deidre Boshoff, Karsha Creaser, Matthew Thamm, Robert Patterson and Samuel Rijken.

Belinda Matulick from Year 12 opened the event by signing the National Anthem. It was a great day but a very tough competition with strong swimmers form Queensland and New South Wales. Mrs Zoe Steele was one of the main organisers for the event. Well done to all the students on their efforts. Aric Pearce achieved a 3rd place in 100m Freestyle and Samuel Rijken achieved a 3rd in 50m Breaststroke. An excellent effort.

PARENTS PRAYER GROUP

I am greatly encouraged by the Parents Prayer Group that meets fortnightly on a Friday morning. We are always keen to have more parents join us.

The group has a deep love for the school our students and staff.

We also have a Parents Prayer Breakfast on Thursday, June 14 at 6.30am. It is cold and dark but it is great to gather for breakfast and to walk through the school giving thanks and praying for God’s continued presence, provision and working in the lives of the students, staff and school community.

It is always encouraging when some new parents join us. We finish at 7.30am enabling parents to then travel to work.

I hope to see some new parents.

GLOBAL LEADERSHIP CONFERENCE

On Friday, May 18, 13 students from Temple joined in with 450 other students from across South Australia to attend World Vision’s “Global Leadership Conference”. The conference inspired, trained and equipped the students in the area of leadership, in order to ‘share the vision’ of ending world hunger. World Vision’s ‘Share the Vision’ campaign, is Temple’s Term 3 fund raiser and we look forward to our 13 students leading us together in the fight against world hunger.

SA SCHOOLS MATHEMATICS COMPETITION (FOR SPE PRIZES)

On March 20 (Term 1), 57 eager students from all year levels at Temple Christian College participated in the South Australian Schools Mathematics Competition sponsored by the Society of Petroleum Engineers. This state-wide competition tests the problem-solving skills, patience and endurance of the participants and it is an excellent preparation for those future academic challenges awaiting them.

Most participants were able to answer a good number of problems in the 90 minutes provided. In particular, Luke Ephraums (Year 12) is to be commended for a fine performance which resulted in the attainment of a Credit for finishing between the 23rd and 45th positions in the Senior Division among all Year 11 & 12 students in South Australia.

The next major Mathematics event will be the Australian Mathematics Competition for the Westpac awards on Thursday, August 2 (Week 3 of Term 3).

Selected students in Year 8, 9 and 10 Advanced Mathematics classes, and keen problem-solvers from Year 7, 11 and 12 will be involved in this national competition.

Parents and Friends
As parents, a vibrant school community is important to us. Being involved in the Parents and Friends group not only gives us the opportunity to be actively engaged in supporting events and initiatives, but provides a wonderful avenue through which to get to know and work along side other parents. Together we make a difference in the life of the school.

If you would like to join us an invitation is extended to all interested parents and friends to join us at any of the Parents and Friends meetings held through the year.
