Dear School Family,

We had a great Bush Dance at the Mile End Campus and it was encouraging to see a good number of student, parents, staff and Old Scholars attend the night. Parents and Friends provided a great supper and the Wild Matilda’s Bush Band were excellent. Thank you to all those who attended and especially for the hard work and support of Parents and Friends. All funds raised will go to support mission work in Cambodia.

It was really good to meet with the team of students and staff that will be going to Cambodia at the end of this term. We have a very enthusiastic group that have been very busy raising funds. Each student is expected to raise at least $500 as a gift towards the work in Cambodia. We have two more team meetings before the end of the term. Please pray for the team and God’s covering and protection.

We have begun our Information Nights for students entering Year 12 and Year 11 in 2013. These have been led by Miss Nakos who is in charge of the SACE and Curriculum. The evenings have been very thorough and informative. It was great to connect with families on each of these nights.

The Dance Performance night ‘Alive’ was excellent. Students from Years 9-12 were involved and also included 3 Old Scholars in the dance performances. Congratulations to Miss Greenham on her leadership of Dance and on the organisation of an exceptional night.

Well done to all the students involved and to Miss Anderson for work back stage.

The World Vision 40 Hour Famine is a focus for fundraising this term. It is encouraging to see that a good number of students have already signed up. Students can choose to go without a variety of different things for 40 Hours, including technology, speaking or food. We also have a 40 Hours of ferocious fitness challenge this year to encourage more students to participate.

I am really looking forward to our Senior Drama production ‘Alice in Wonderland’ that will be performed at the Star Theatre on August 16, 17, and 18. We have a very talented group of students and the production is sure to entertain all who attend. Tickets can be purchased through the Student Service Office by calling Ph:8405 0900.

BUSH DANCE

Temple’s annual Bush Dance was held on Saturday, July 28. With many teachers, students, old scholars, outside friends and families, this fundraising event hosted by Parents and Friends was a great success. All proceeds went towards Cambodian Orphanages.

The shed provided the perfect setting for a mini barnyard, with plenty of hay bales and people in checkered shirts, wide brimmed hats, jeans and boots. The night was full of tunes and group dances led by entertainers for the evening. The Wild Matilda’s Jazz Combo also performed a repertoire of songs for us. Everyone was in the running for ‘the best dancer’ competition prize, and had the opportunity to take snaps at the designated photo booth, of which can be found on the Temple Christian College Living Stones Facebook page. To finish the night off supper was also provided by Parents and Friends.

Thank you to all who organized the evening, it’s fair to say that everyone had a great time! Don’t miss next year’s event. It’s a whole bunch of bush dancing fun!

yLEAD Altitude Conference

On June 6, 2012 fifteen Year 9 students attended a yLead Altitude Conference at the Adelaide Conference Centre. The theme of the day was 'How High can your Potential Take you'? This conference is run by a company of young leaders whom are all under the age of 26 themselves and making a significant difference in their sphere of influence.

Students were encouraged to continuously relocate around the conference room throughout the day, and encouraged to sit and interact with Year 9 student leaders from various Adelaide schools. This day out provided students with an excellent opportunity to be encouraged and inspired in their potential as young leaders and look at the contributions they can make to the world in which they live. They discovered that Leadership is any action that makes the world a better place.

Remember students there 'Ain't no mountain high enough!' . It was an excellent day out with this wonderful group of potential leaders.

I am a member of the Marion YAC (Youth Advisory Committee). At a recent meeting the Captain of YAC asked for a show of interest from those who would be interested in participating in the YMCA Youth Parliament program for 2012. He had participated in the program previously and now was running it as ‘Operations Manager’ and absolutely loved it.

I initially thought the work load would be a bit much but I registered my interest, received the information and attended the information day.

The Youth Parliament program is a state based program that has gone to the national stage throughout all the states across Australia. The program involves the youth of SA coming together and having their say in the parliamentary world through the development of bills and motions.

YMCA Youth Parliament 2012 was the 17th YMCA managed program to be staged in South Australia. It is strongly supported by the State Government through the Office for Youth as well as the SA Parliament House and the SA Law Foundation. Youth Parliament has educated around 1,000 young people in the SA Parliamentary system, voting procedures, parliamentary etiquette, public speaking and bill writing in a professional and exciting environment.

I was put in a team and my team decided on a bill to provide free tertiary education to South Australian students and for related purposes. Within the team it is our job to develop the bill by talking, negotiating and assessing our bill in order for there to be no holes for the opposition to break down.

In Residential Week we stayed up at Rostrevor College. While some debates were held at Rostrevor College, we also had the opportunity to attend Parliament House for some debates and parliamentary proceedings. Team Bill debates lasted about an hour for each Bill being submitted.

The ‘Tertiary Education Assistance Act 2012’ which was my team’s Bill was passed through both the Lower and Upper Houses of the Youth Parliament and will now move to the South Australian Government to debate in Parliament House in the near future.

This program is very enjoyable and even though I didn’t know what I was going to get out of it, I managed to learn so much about the parliamentary system of South Australia. The program itself provides many opportunities to people who may not have considered politics. I have found that my speech writing, public speaking and note taking have all improved after being involved in this process which is one of the aims of this program.

If you are interested in learning more about Youth Parliament please see Jeremiah or go to the SA YMCA Youth Parliament website more for details.

TEMPEL STUDENTS RECORD AT CHAPEL LANE STUDIOS

On Monday, July 30, three of our very own Temple Christian College students had the amazing opportunity to record parts on an album by Christian artist, Ryan Lee. Sae Jee Jung (Year 9), Catie Haynes (Year 9) and Mia Apollonio (Year 11), accompanied by music staff Kirsty Smith and Wes Brice, spent the afternoon at the world class recording institute, Chapel Lane Studios. The students did exceptionally well tracking Cello, Viola and Violin parts on the track, ‘Your Renown’. The musicians and recording engineers at the studio commented on how beautifully they played and on their excellent musicality and overall disposition.

Congratulations girls, and we look forward to hearing you on the highly anticipated worship album.

SPORT NEWS

8/9 Football

Last Friday we sent off a boys and girls team to the SACSA 9 a side football carnival held at Kings Baptist Grammar School. For most of the girls it was a steep learning curve, but they did manage to chalk up one win for the day, and acquitted themselves really well.

The boys came in with more experience, and performed well throughout the whole day. After winning through to the semi-finals, we faced Temple Bethany, and managed to turn the tables on them from last year winning 37 points to 7. That meant a grand final showdown with Emmaus, which turned out to be a cracker of a game. With only seconds remaining in regulation time, Emmaus scored a goal to tie the scores at 25 points all...which meant we headed for extra time. With 3 minutes extra each way, it still only came down to an Emmaus kick for goal on the siren, which sailed straight through the middle. So close! While the boys were disappointed, they received runner up medallions and should be very proud of their efforts on the day.

Members of the Year 8/9 team were: Mason Pickard, Ben Jarman, Michael Phillips, Samuel Rijken, Isaac Peplow, Kaleb Wilden, Josh Heading, Henao Iduhu, James Koulianos, Caleb Dearman, Jacob Dearman and Jakob Brand.

Congratulations to DANIEL ADIE who has been selected to represent South Australia in the School Sport Australia Boys Hockey Championships. These championships are held in Hobart, Tasmania from August 11th to 18th this year. Well done Daniel.
Congratulations to Maren Poalses, Year 11 student, who is studying Year 12 Spanish, she has been chosen to attend the Year 12 Students’ Reception hosted by His Excellency the Governor at Government House, on Monday, September 17, 2012.

The reception provides an opportunity for the Governor to meet young South Australians, and for students to visit Government House and meet their State Governor.

Maren will be representing the School of Languages at this prestigious event.
Morning Coffee for Parents is a time to get to know the other parents at the school. We have shared testimonies, and the joys and difficulties of having teens. Mums with older children can share advice with the mums e.g. the Formal story, exams, choice of subjects, how to survive Year 12.

I have found it interesting to hear other parents involvements in different jobs and voluntary work. I would encourage you to come along and be encouraged or be an encouragement to others.
