Dear School Family,

The real strength of our school is the diversity of Christian denominations represented. It is very special with many churches represented. It also promotes some great discussion in the different ways we go about doing things within our churches. One discussion was around the merits of having a prayer pre-written or being able to just pray without a written preparation. There is a diversity of how this occurs within the churches represented within the school. Also how we praise and worship also differs in our churches. God is less concerned about how we engage in these areas and more concerned with the condition of our heart. As such we can earnestly pray from our heart a prayer that we pray at that moment or have pre-written. We can come down the front of the Assembly and participate in praise and worship in a more demonstrative way or we may choose to stay where we are seated. Again it is really about the condition of our heart that is important and the existence of the fruits of the spirit present in our life.

We had an Assembly last Monday where we did some golden oldies in terms of songs. For the students these old songs are Reflector, Majesty and My Redeemer Lives. I realise for us as parents we would consider them to be quite new. It was great to sing these songs again and have a very special time of Praise and Worship as a school.

MISSION POSSIBLE
I have been greatly encouraged by the involvement of students in the World Vision 40 Hour Famine. It was held last week and finished with a lunch for all those that participated. We also had a fitness challenge between staff and students to raise additional funds for World Vision.

Senior Drama Production

*Alice in Wonderland*

On Thursday 16th, Friday 17th and Saturday 18th of August, Star Theatre’s stage on Sir Donald Bradman Drive was transformed into the wacky, wild, weird and wonderful world of Lewis Carroll’s *Alice in Wonderland!* Combining audience involvement and side-splitting nonsense with a kaleidoscope of both colour and theatrical styles including song, dance, slapstick and pantomime, our students brought to life the situations and characters that have been much loved by readers, viewers and audiences for decades.

True to form, our audiences were suitably entertained and perplexed by the Mad Hatter and his magical tea party, the curiously grinning Cheshire Cat, the delightfully zany twins, Tweedledum and Tweedledee, the pleasantly panicky White Rabbit and the hot-headed, irrational Queen of hearts and her bumbling, fumbling husband.

As a precedent, Temple’s Senior Drama Production involves students from Year 10 and 11, but is always used as the outlet for the Year 12 Drama students to be assessed in their mandatory performance component. With Rebeckah Hall as Alice herself, she was supported by Kathryn Driver as the Gryphon, Tweedledee, Red Knight and March Hare, Shannahlee Fast as the Mock Turtle, Tweedledum, White Knight and Mad Hatter, Danielle Bowen as the White Rabbit, Caterpillar and Humpty Dumpty, Kate Wissell as the Duchess (who gave new meaning to the line, “and the moral of THAT is...”), Natalia Androllo as Mrs Liddell, Cook and the Queen of Hearts, David Bone as Professor Liddell, Baby and the King of Hearts, Liana Verlingieri as Miss Pricket, Cheshire Cat and the Dormouse, Deborah Ralph as Lorina Liddell, Bill the Lizard and the Knave, and Tiffany Nott and Josephine van Eyk as Robinson Duckworth and Charles Dodgson. Cassandra Goodwin did a truly exceptional job as Stage Manager, as did Imogen Hebart as Costume Designer, Rachel Kempson as Publicist and Emily Bland as Front of House Manager. Thanks also to the stage crew; Kelly Anderson, Stacey Greenham, Chandi Poalases, Rachel Kempson, Josiah Goodwin, Reece Calvert and Mark Palmer, as well as Kayla Symons, Chelsea Ciracovitch, Kalen Turner, Amy Sloan, Rebecca Hillard and Darlene Xerri who assisted in FOH. A very big thanks also goes to a group of Year 10 Dancers – Nathan Boemia, Christian Bartlett, Hannah Christensen, Holly Guglielmo, Amelia Parsons, Lydia Akeley and Alexandra Bellas – whose performance as hedgehogs and flamingos made our croquet match a truly memorable fusion of Dance and Drama.

Thanks also to the staff members and parents who assisted in so many ways, from constructing and painting set pieces, to making and mending costumes and working in the Box Office.

It was a truly mammoth effort by all involved and without the continual support from our school community, we would not be able to continue to produce performances of such a high quality. The general consensus was that our efforts would easily rival that of any amateur theatre production, with one theatre-savvy audience member commenting in a written correspondence: “we could use your expertise in many of the adult amateur productions with which we are involved.”

To say that I am proud of the cast and crew of *Alice in Wonderland*, seems an inadequate way to describe how I feel as their director and teacher. Their commitment to my vision, and the passion and enthusiasm they exhibited throughout the entire rehearsal and performance season is nothing short of brilliant. My time with these students has left me reflecting on how privileged and blessed I am to be involved in the lives of such extraordinarily talented young people.

And the moral of that is...?

Success at SALA Festival Art Show: Double Coup for Temple Students

Congratulations to Year 12 Visual Art students Alexandra Beckinsale and Heidi Bitzer who won the ‘Most Outstanding Life Drawing’ and ‘Most Outstanding Self Portrait’ respectively at the SALA Secondary Drawing Exhibition opened at the Radford Auditorium of the Art Gallery of South Australia on Friday August 17th. The girls participated in a series of drawing workshops held at the Art Gallery of South Australia earlier in the year. The workshops, sponsored by the Education Services at the Art Gallery, were offered to selected students in the categories of Botanical Drawing, Figurative Drawing, Life Drawing, and Self Portrait Drawing. The workshops included tuition by practicing artists and the opportunity to privately view drawings from the Art Gallery’s collection that are rarely on display.

Alexandra exhibited and won the Figurative Drawing category (working from sculptures in the gallery) in 2010 and won the Most Outstanding Life Drawing category (working from a live model) in 2011. Alexandra is a very talented art student with a career in the Visual Arts well in hand. If you are interested in viewing her talent, as part of her Creative Arts studies, Alexandra will be holding a solo Art Exhibition at the Burnside Council Chambers in October this year where her passion for portraiture will be on display.

This was the first year that Heidi participated and exhibited and it was both a great thrill and surprise for her to win the Most Outstanding Self Portrait. The prizes include a certificate to add to their portfolios and a voucher valued at $100 from sponsors Eckersley’s Art Supplies. Congratulations to both students on their excellent achievements.

Results for the UNSW ICAS Science Competition have arrived.....

The strong tradition of great results for the UNSW Science Competition has continued. There have been a number of outstanding results in Years 7, 8, 9 and 10. The competition is an independent evaluation of the student’s skills and knowledge in core learning areas and provides insight into students understanding.

High Distinction goes to Christopher Blanchard in Year 7. Congratulations.

**Year 8 Breakfast**

The annual Year 8 Breakfast was held on Friday, August 18, where eighty five people including parents, students, teachers and members of the Parents and Friends Group were in attendance. The P & F generously cooked and provided delicious croissants, fresh fruit and pancakes with lashings of jam and cream. Maren Poalses and Ethan Francis provided us with suitably hot and strong cappuccino’s. Every year the breakfast is a warm and friendly experience. Thank you to all who attended, it was a wonderful opportunity for teachers, parents and students to meet new people and catch up with old friends.

Miss Minicozzi, **Year 8 Coordinator**
Term 3 is the term in which Temple Christian College turns its attention again to the global situation and raises money for the current World Vision project. This year our project is the famine crisis in Ethiopia. In May, 12 students and Mr Adams attended the Global Leadership Conference where they learned all about the problem and were inspired to try new ways to raise money. At the beginning of this term, these students led Assembly where they shared the vision with the rest of the school and encouraged them to sign up for the 40 Hour Famine.

In Week 6, 52 students participated in the Famine in one way or another. Many went without food, some without furniture, some without speaking and a just a few without technology. Two students went without privacy and tied themselves together for the weekend. When most people had finished fasting, we celebrated with the traditional end of famine feast.

All these efforts have been supplemented by the hard work of the World Vision team who have tirelessly held fundraisers twice a week wherever possible. So far the list includes, soup, BBQs, donuts and Devonshire Teas but we haven’t finished yet. Many thanks go to the faithful team; Lee Norcott, Josephine van Eyk, Mia Apollonia, Nichole Rotolo, Tiffany Nott, Kevin Doveton, Jeremiah Morton, Mikaela Trimboli, Becky Hillard, Annabel Darch, Cuan James and Aric Pierce for their tireless efforts.

It’s always easy to get girls to sign up for the 40 Hour famine, so this year we decided to try something new for boys. We invented the 40 Hours of Ferocious Fitness, which later became the 4 minute bursts of ferocious fitness. A brave and foolhardy team of male staff known as “Goliath” challenged the male student population to see how many km and kg they could ride, run, row and raise. There was a lot of talk but nothing happened. Then from the shadows emerged our student team. Led by Jon Millowick and Alex Carsiotis, they stepped forward to challenge the might of Goliath. Only having two team members, they decided to call themselves “Half as many, Twice as Good” but as they were later joined by Kofi... and Luke Marquis, they settled for just, “Twice as Good”. Each team had to attract sponsorship and Mrs Karen Smith took on the management of the student team.

On the Friday of the big showdown, tension built as treadmills, rowing machines, benches and training bikes accumulated on stage and the Shed reverberated with the sound of the Rocky theme. Each team member had to compete on each piece of apparatus and score points in a scoring system so complex that no one could follow it. As they sweated it out for 4 minutes each, the score slowly emerged. Mr Schaefer won the rowing, clocking up 1061m in his 4 minutes. Mr Adams and Alex Carsiotis drew on the bike, both scoring 2.6km in their 4 minutes. Jon Millowick won the bench press with 142 repetitions and Millowick and Carsiotis blitzed the running machine. In total “Twice as good “ scored 162 points to “Goliath’s” 148. A huge thank you to both the staff and student teams for their efforts. In one lunch time they raised $373 for Ethiopia.

We look forward to a final fundraising total as sponsorship money is paid in.

MORNING COFFEE FOR PARENTS

Morning Coffee for Parents is a time to get to know the other parents at the school. We have shared testimonies, and the joys and difficulties of having teens. Mums with older children can share advice with the mums e.g. the Formal story, exams, choice of subjects, how to survive Year 12.

I have found it interesting to hear other parents involvements in different jobs and voluntary work. I would encourage you to come along and be encouraged or be an encouragement to others.
