Dear Temple Family,

The Year 11 and 12 students have begun their examinations and these will finish in Week 9. The Year 12 students will then have a week of Line Days. This is where they have one subject for an entire day. It is a great opportunity to be able to do larger practicals and research tasks. The Year 11 students will have a week of work experience in Week 10.

The Year 8 to 10 students have just 2 weekends before their examinations begin. They will need to prioritise significant time to study for their examinations. It is good to see the school very focussed as we come closer to the end of the year.

abilities. We have some very talented Drama students. Well done to Mrs. Faith Cahill on the work she does in inspiring, leading and guiding our Drama students.

I was very encouraged as a group of Year 10 and 11 students led our World Vision Assembly. The focus this year is on the country of Malawi and the 40 Hour Famine will be held in August. It is great to see the students involved in a significant way and really have a heart for the poor.

The World Vision representative, Renee LeCorm (nee Bishop), who attended the Assembly was most impressed as usually at schools she would need to do the presentation and promotion. She commented on how Temple was quite unique as students really took ownership of this important work such as that we have students leading students.

It was really quite relaxing having a Casual Day last Tuesday. I think the staff enjoy wearing casuals as much as the students. All funds raised are going to mission work in Cambodia. The Year 12 Christian Living classes also prepared lots of different foods for sale at lunch. All proceeds from the sale again went to the mission work in Cambodia. The Shed space had a great feel at lunch and it was really encouraging seeing the students enjoying school life.

Bushdance Term 3
The Bushdance will be in Week 2 of Term 3. This is a great family night and has become a real tradition in the life of the school. We will have a live band, the Wild Matilda’s, as well as the Jazz Combo. There will be a supper provided by the Parent and Friends as well as competitions and prizes. It would be great to see lots of families on the night. It is guaranteed to be one of the best value for money nights you could have with your family. Further details inside, Page 6.

Drama Presentations
I greatly enjoyed our recent Drama presentations by the Year 9, 10 and 11 classes. They were very entertaining and enabled the students to really show their
SSSSA & SACSA Cross Country 2013

At our annual Inter House Cross Country held in Week 2 of Term 2 this year, a group of students were selected to represent our school in the SSSSA and the SACSA Cross Country Carnivals.

The SSSSA Carnival was held on Thursday Week 5 of Term 2 which just happened to also be our Temple Open day this year. As this is a state wide carnival, and the competition is always really high we often only send a small group of students to represent the school at Oakbank. Our students ran in this competition with determination and heart and achieved some excellent results in their respective age groups.

The SACSA Carnival was held on Friday Week 6, Term 2. We always take a much larger team to this carnival which is held annually at Balkana Oval, Banksia Park. This year we had a number of students who achieved a placing in the top 10 and a number who achieved personal and team medals. The Open Girls took out the team medal with Grace Pfitzner running over the line in 4th and Lili Montesi in 5th. In the 15 year old Boys age group we missed out on the team medal by only one place. A great run by Josh heading who came over the line in 7th position and Ethan Love came in 9th.

A big thank you to all students who competed and put their best foot forward in representing the school at both of the Inter School Cross Country Carnivals.

Magan Schaefer, P.E./Sports Coordinator

To Aric Pierce, Head Prefect, on being selected as one of eight students, nationwide, to attend the 2013 International Pierre de Coubertin Youth Forum in Lillehammer, Norway, and Home Stay Program in Erfurt, Germany. This International Forum is held every two years, and attracts participation from all countries of the world.

Aric was selected from last year’s recipients of the Pierre de Coubertin Award, which Aric received on Presentation Night from the Australian Olympic Committee. The Pierre de Coubertin Awards are named after the founder of the modern Olympic Games and take place on an annual basis to recognise senior secondary students who demonstrate attributes consistent with Olympism through participation and commendable behaviour in sporting activities.

Aric was selected because of his active participation in the school’s physical education program and representing Temple Christian College in a sport outside of the school. His consistent positive attitude, teamwork, sportsmanship and fair play also contributed to his award selection.

Well done, Aric.
yLead Conference 2013

On the 5th June 2013, fifteen Year 9 students attended a yLead Altitude day conference at the Adelaide Conference Centre with over 200 Year 9 students from various Adelaide schools. The conference is designed to motivate and inspire young people to reach their full potential. The day is very interactive and requires students to step out of their comfort zone. The day began with students playing a variety of games paired off with a student from another school. Students change their seating location and game partners throughout the day which results in great networking and relationship building amongst all the Year 9 students present. This conference seeks to develop in the Year 9 students: confidence, inspiration, practical leadership skills and they are encouraged as young leaders to make a difference to the world in which they lived. A definition of Leadership discussed at the conference is “Leadership is any action that makes the world I touch a better place.” I pray students left the conference feeling encouraged, equipped and excited about the differences they can make in the world. Be sure to encourage each of these students as they pursue their God given giftings, dreams and desires.

Mr Schaefer, Year 9 Coordinator

Why? Shakespeare

This week all Year 8 and 9 students attended a performance by a visiting theatre company to watch the production, “Why? Shakespeare” The 45 minute drama explored the relevance of Shakespeare in modern society in a comic multimedia presentation. Touring Companies who come to us are great because they save us the time and expense of transport. In August all Year 10s are going to a performance of Shakespeare’s Macbeth by the Urban Theatre Company.

YEAR 11 RETRO BALL

As a celebration of the fact that exams will be over, the Year 11 Retro Ball will be held on June 29th in The Shed. Tickets are $15 and include supper, drinks and snacks and unlimited photos at the photo booth. The Ball runs from 7-10pm and students are asked to come dressed for the 1950s theme. RSVPs with money are due to the SSO next week.
World Vision Project 2013

Last month 12 students attended the Global Leadership conference held annually by World Vision to train student leaders to lead their schools in awareness of global issues and to fundraise to solve them. This week we launched this year's project which is the African nation of Malawi. The World Vision team told us about the problems of drought and poverty in Malawi and how we can raise money to help.

This year our fundraising will consist of two main events:

The **40 Hour Famine** where students will elect to go without food, furniture or technology for 40 hours and gain sponsorship to do so. This will be held in Week 6 of Term 3.

The **40 minutes of Ferocious Fitness** where students will form teams of 4 and compete in a number of athletic feats such as running, riding, rowing, weight lifting and novelty events. There will be a senior and junior section and teams will be awarded on the basis of how well they perform and how much they raise.

These events will be augmented by regular fundraising events such as BBQs and morning teas. Please support your students as they attempt to help the less fortunate people of the world.

During Term 3 we will also be aiming to provide some alternative foods in the canteen as a form of fundraising. If you are a keen cook or baker and would like to contribute to our fundraising efforts, please email me at

Building new lives in the Philippines

ALEXANDRA ECONOMOU

CONSTRUCTION business Endeavour Quality Homes’ success in South Australia is translating to help and shelter for needy people in the Philippines.

Endeavour Homes’ owner Chris Doening said for every new home the company signed up to build, funds would be donated to build two homes in the Philippines.

The housing projects were overseen by Mr Doening’s friends, and former neighbours, Mark and Tuesday, June 4, 2013

Christine Pedder. The Pedders moved to the Philippines several years ago to help local communities needing new or improved housing.

“They moved to the Philippines and are living in the slums doing charity work,” Mr Doening said. “I have always been involved with charities and helping the community here. Now, I feel I can do something different and make an impact (elsewhere).”

He encouraged other businesses to be involved in charity work.

“Think about how you can make a difference; it’s not that hard,” he said.

“I hope to eventually take my staff to the Philippines and show them what we are doing there.”

With its headquarters in Klemzig, Endeavour is building on average 40 houses each year.

“All of our work is by word of mouth and referrals,” Mr Doening said.

“We specialise in custom-designed developments and extensions.”

Mr Doening, who was named Master Builders Australia’s 2012 South Australian Young Builder of the Year, employs five staff at Endeavour.

**TAX DEDUCTABLE DONATIONS**

Temple Christian College’s mission calling is to help establish schools in third world countries and the sending out of students on short term mission trips. It is also our desire to financially support through fundraising and giving to the many projects that the school is involved in.

In Term 2 our Mission focus is on Cambodia. For seven years Temple Christian College has been sending teams into Cambodia to support orphanages and schools.  
On September 15 (approx.), the school will be sending another team of staff and students for a trip to love and bless the people of Cambodia.

Last year over $20,000 was raised through various fundraising activities and donations within the school community and by the students that travelled on the 2012 trip.

This term we have the Casual Day, Bush Dance and various BBQ’s and of course our fundraising chocolates which all go towards helping Cambodia.

If you would like to help we still have boxes of chocolates that can be sold, and these can be picked up from the Front Office, and donations can also be made by phoning the school.  
We thank our school community for the amazing support Mission Possible receives. We are blessing the nations.

*Tax deductible donations can be made to both PNG Sunrise and to Cambodia. Please contact Tracy Montesi for further details.*
PARENTS AND FRIENDS
As parents, a vibrant school community is important to us. Being involved in the Parents and Friends group not only gives us the opportunity to be actively engaged in supporting events and initiatives, but provides a wonderful avenue through which to get to know and work along side other parents. Together we make a difference in the life of the school.

If you would like to join us an invitation is extended to all interested parents and friends to join us at any of the Parents and Friends meetings held throughout the year.

Mile End Campus, Staff Room
