Dear Temple Family,

The term has quickly drawn to a close. We look forward to the safe return of our Cambodia Missions team this weekend and the impact that the experience will have had on their lives. It will be great as they share their experiences with others.

It is a very important time for the Year 12 students. They still have a significant amount of work to complete. The Year 12 students will have two weeks at the start of Term 4 and will then begin their study leave in preparation for their final examinations. Please pray for them at this time. I pray that they will have a clarity of thought and that the pressure they are experiencing will enable a focused and thorough effort.

Earlier this term I was able to take our Year 12 leadership team to the SA Prayer Breakfast held at the Convention Centre. The guest speaker was Mr Ian Harper, one of Australia’s best known economists working closely with governments, banks, corporates and professional services. He is a committed Christian and we were very inspired by the impact of his faith in Christ on his working life.

We had Young Chosen (Blake Young) and the Youth Alive Team come to the school for a lunchtime concert. They were promoting the Youth Alive event held last weekend at the Convention Centre. Blake has a great passion for God and an ability to relate well with young people. The students really appreciated the concert.

Year 12 Recital Night
I was greatly encouraged and impressed by the talents of our Music students at the Year 12 Recital Night. The Year 12s were supported by the Concert Band and the Year 11 students. It was a really good night and great to see the gifts and talents that the students have.

Prayer is a very important part of the life of the school. I have been very encouraged by the commitment of a small group of parents who faithfully come out each term for the Parents Prayer Breakfast. This occurs just once each term from 6:30am til 7:30 am. This is now the 7th year that we have had these prayer breakfasts. It is amazing as we reflect back on the many areas that we have prayed into and the way God has moved.

We have been renovating the SSO toilets to create a much better disabled toilet. We have a student joining us next year in Year 8 and he is in a wheelchair. This will provide a much better facility for his use and any other students in the future.

We really want to look after every student that joins us. The Parent Prayer Group prayed over the area and gave thanks for God’s continued provision.

I trust the holiday break will be refreshing for the students and a very productive time for the Year 12 students.

Be shepherds of God’s flock that is under your care, serving as overseers—not because you must, but because you are willing, as God wants you to be; not greedy for money, but eager to serve; not lording it over those entrusted to you, but being examples to the flock.

CONGRATULATIONS to Year 10 student Ryan Matulick. Further to his success in the State Percussion Eisteddfod, he recently competed in the National Percussion Championships in Sydney. Ryan competed in the Intermediate Level (Year 10 and under) and won First place in the Mallet Section and Second Place in the Snare Section. He also entered in the Senior age group (Up to Year 12) and achieved First Place in the Intermediate Duet/Trio Section. Ryan’s Percussion teacher is Jamie Adam who is a long serving instrumental teacher at the school.

An exceptional effort Ryan. We look forward to hearing about more of your achievements in the future.

SACSA SOCCER COMPETITION - Years 8/9 & Open

These competitions took place on Tuesday and Thursday of week 9 at the Barrett Reserve in West Beach. Both female teams were ably coached by Mr Joel Georgeson (relief teacher and past Temple student). The 8/9 Girls improved as the day went on but struggled to find the back of the net throughout the day. They ended up 7th overall. The Open Girls did a little better coming 5th overall. The Open team had some strong support from two girls from our Bethany campus who made our Mile End team clearly more competitive.

The campaign from our Open Boys team can be summed up as very unfortunate. We lost only once in six games, conceded only 2 goals, missed 2 penalties and one crucial referee decision contributed to being denied of the Semi Final. Congratulations to the Open Boys team which was formed of 4 different Year levels and who were well led by Captain Hamish Elsden to claim 5th of 11.

The Year 9 Boys team had a near perfect tournament. Playing out of a very strong defence, we only conceded one goal all day and cruised through the group stage with polished performances finishing top of our group. A draw in Semi Final was enough to qualify for the Grand Final. Here we met Tyndale again who came 2nd in our group. The final remained 0 – 0 and even extra time could not separate the two tiring teams. It came down to penalties and almost like the previous year when we lost in penalties in the Semi Final to Kings, this year we lost in penalties to Tyndale. The Year 9 boys received Runner Up medals at the end although many thought they would deserve one better than coming 2nd of 13 teams. Time will tell whether this experience will shape and develop their characters and skills to come back in years to come to be an even better, stronger and wiser team.

YEAR 10 GERMAN EXCURSION - Barossa Valley

On Friday 20th September, the Year 10 German class set off to the Barossa Valley to learn about the history of German settlement in this area. Our first stop was the Seppeltsfield Winery, which was set up by a German family from Silesia (now Poland) in 1851. A fascinating fact about this winery, is that the owners continued to employ their 200 workers during the Depression. One of the jobs that they carried out during this time, was planting 2000 date palm trees from the seeds of just 2 palms! The members of the Seppelt family were hard working, and as a result, a very successful business was born and still continues today. At the end of our tour, we were lucky enough to enjoy a glass of the winery’s famous raspberry cordial.

Next stop was Luhrs Cottage (a mud straw house lived in by the first Lutheran school teacher in the Barossa Valley area). We then enjoyed the view from the Mengler’s Hill Lookout, which has a plaque that thanks God on behalf of the German pioneer settlers, for the opportunity to settle the Barossa Valley area in the 1800s. We also drove through the town of Bethany, which was the first settlement in the Barossa Valley. We visited the Bethany Pioneer Cemetery and the first Lutheran Church. Our last stop was the Tanunda Main Street, where students could wander around to purchase some lunch. An enjoyable day was had by all. The weather was perfect, as was the company. A special thanks for Miss Kelly Anderson for stepping in at last minute to accompany us on this excursion.

2013 STAFF v STUDENT NETBALL

Our annual Staff v Student Netball game was played on Thursday 12th September (Week 8). With a smaller staff team than in previous years, and a highly competitive student team, the staff managed to hold onto the trophy for another year with a final score 16 to 15 goals. This would have to be the closest and most competitive game that has been played by the students in many years. Considering it rained heavily before and after the game, God blessed us with a window of overcast conditions that enabled the game to be enjoyed by players and spectators alike. Nadia Boshoff, Kate Jarman and Daniela Marino organised the event as part of their Integrated Learning Final Project and are to be commended on a well-planned event. This has become a highlight of the calendar for many students and staff alike, and continues to leave younger students desiring to be the class to overturn the teachers’ successful record on the Netball court.

Thanks for your support

CAREER MENTORING PROGRAMME

Dear Parents/Older Scholars,

Temple Christian College would like to set up a career mentoring programme where parents and old scholars become career mentors for current students. If you are interested, it would be a great opportunity for you to be able to share your expertise of your career area.

You could share information about how you reached your career, opportunities that exist today for employment in your career area, skills needed in your vocation, challenges you have faced as well as any other general advice you think useful and beneficial.

Career mentors would be asked to answer questions from students once a year by email or in person at a career mentors catch up.

Please let us know via email to admin@templecc.sa.edu.au. If you would like to be part of a career mentor catch up please also let us know which of the following times would suit: 8.30 - 9.30am or 2.30 - 3.30pm.

We would also like to know if you would be willing to have a student do work experience with you for one week mid-year, next year.

Thank you.
ACADEMIC SCHOLARSHIPS for 2015

Registration is now open for the 2015 ACER Scholarship. Families can register through a link on our Web Site. The examination will be held on Saturday, 8 February, 2014. Families with students currently in Year 6 are the ones that need to register. Their children sit for the scholarship at the beginning of their Year 7 year, for a possible scholarship for Year 8 in 2015.

Cost is $95 paid direct to ACER when registering.

PARENTS AND FRIENDS
As parents, a vibrant school community is important to us. Being involved in the Parents and Friends group not only gives us the opportunity to be actively engaged in supporting events and initiatives, but provides a wonderful avenue through which to get to know and work alongside other parents. Together we make a difference in the life of the school.

If you would like to join us an invitation is extended to all interested parents and friends to join us at any of the Parents and Friends meetings held throughout the year.
