

Wellbeing Day 2022

Friday, 27th of May

1:30-3pm at the Marion Club Oval

Parent's and Caregivers are welcome to come and watch standing around the outside of the oval.

End of the day Pick Up: From the Marion Oval. Please make sure your child is signed out with their class teacher before leaving.

Our student body will have an exciting Health and Wellbeing Day. The SCS & TCC Marion Colour Run 2022 is the finale of all the amazing activities on the day.

The money raised will be split 50%/50% between two causes:

1. Sunrise Bethel Christian School, Papua New Guinea - we partner with our sister school to provide much needed musical instruments for the wonderful people of Sunrise Christian School, Port Moresby and Edai.
2. Local school projects - we desire to create a garden experience for our school community to learn about food production and sustainable living.

Please follow the link below and leave your child's grade level as your name, we are running a competition with the students so we need to know which grade level has raised the most money at the end.

<https://gofund.me/26f8b879>

Alternatively you are welcome to do a direct deposit into our Parent Group account and leave your child's grade level as the reference.

Details to do a direct deposit are as follows:

Sunrise Christian School Marion Parent Group

BSB: 035 212

ACC: 266 011

Thank you
