

Thursday 5th May 2022

Dear Parents and Students,

In Week 2 of Term 2 we have our annual...

Interhouse Cross Country Carnival
Tuesday 10th May 2022 @ Bonython Park, Port Road, Adelaide.

It is compulsory for every student to compete, whether it is to race, jog or walk. The first 25 students in each age group will receive points towards their House when they finish the course. Age Champion medallions will be presented to the first male and female student from each age group to cross the finish line. A shield will be awarded to the winning House during the assembly in the following week.

Races will be run in the following order on the day.

1. Under 16 and Open Boys (5km)
2. Under 16 and Open Girls (4km)
3. Under 13, 14 and 15 Girls (3km)
4. Under 13, 14 and 15 Boys (3km)

The lesson format of the day will be slightly different. Please see adjacent table for information about the format of the day.

This year, we will be allowing students to wear additional accessories to represent their house (e.g., coloured socks, tutus, scrunchies etc to school), however the correct sports uniform must still be worn. When it is lunch, students will then be able to change into house coloured t-shirt and shorts if they wish. If they do not have the Temple sports uniform (senior students who do not do Physical Education or Integrated Learning), they can change into appropriate sports attire at lunchtime. This competition will be used to select the team to compete in the Christian Schools Cross Country Championship (SACSA) and the State Schools Cross Country Championships (SSSA); both to be held in Term 2.
