Calculating Family Payments

Our Annual School Fees featured above represent the Year Level Fees that will apply to students attending Temple Christian College in 2022 before any discounts or fee concessions have been applied.

Contained within this document is the important information that will help you calculate your total family Annual Fee Payment for 2022.

Multiple Sibling Discount

Across sister schools – Temple & Sunrise

The following Multiple Sibling Discount is applicable to Temple Christian College families who have more than one child enrolled at Temple Christian College and Sunrise Christian School in 2022. The discount applies to the total annual school fee for each student across both schools.

Families with 2 students.....	20%
Families with 3 students.....	30%
Families with 4 students.....	40%
5th & subsequent students	FREE

Annual Fee Payment Discount

A settlement discount of 5% applies if the Annual School Fees are paid in full by 11th February 2022 providing there are no outstanding balances from the previous year.

School Fee Concessions

Our passion at Temple Christian College is to provide a quality and affordable experience for every student seeking an authentic Christian education. Applications for fee concessions are available to families who consider they cannot meet the payment of full fees. A Fee Reduction Application Form is available from the Campus Office.

If you were previously approved for School Card or if you are solely dependent on Centrelink benefits, you are strongly encouraged to apply for fee concessions.

When assessing for fee concessions, eligibility is generally based on the household income, but many other factors such as the number of children are also considered. There is no income limit as such but as a rough guide, a **household income of up to \$80,000** would be considered for a single student. If your income is around this amount or higher and you have more than one child at Temple then you are welcome to apply as you may be eligible also.

The following table gives an indication as to how our fee concessions may impact annual school fees:

Example of Annual School Fees for a single student following concessions:

Year Level	Gross Family Income less than \$40,000
Year 7	\$3,400 - \$4,200
Years 8 to 10	\$3,500 - \$4,500
Years 11 to 12	\$3,500 - \$4,600

If you would like to request a Fee Reduction Application Form please contact our Campus Finance Department here at Mile End on 8405 0921 or email accounts.receiveable@tcc.sa.edu.au.

Please note: A new application form for Fee Reduction is required each new school year.

EXPLANATORY NOTES

BUILDING FUND DONATIONS

To help us maintain and develop school facilities for our students, each family is requested to contribute to the school's Building Fund on a voluntary basis.

While the set donation of \$240 per family (\$60 per term) will be most beneficial, all monetary donations are gratefully received. All Building Fund donations are tax deductible and contributions can be made along with fee payments.

TEXTBOOK HIRE (INCLUDED IN FEES)

The hire of textbooks (property of the school) is included in the Annual School Fees. Some textbooks are made available online and can be accessed on student laptops.

The replacement cost of textbooks that are damaged or unreturned at the end of the school year will be charged to the school fee account.

LAPTOP HIRE LEVY (INCLUDED IN FEES)

Year Level	Laptop Hire Levy (per year)
Years 7 to 10	\$400
Years 11 to 12	\$600

All students are allocated a laptop on a hire basis calculated over a period of either 2 or 3 years, the cost of which is included in the Annual School Fees. The laptop remains the property of the School and is to be returned when the student leaves.

EXTRA CHARGES

Additional charges may be applicable for the following:

- Stationery pack (booklist)
- Some elective subject excursions and activities
- VET courses
