The PE Uniform is to be worn to and from school on a day when a student has a timetabled PE lesson.

All students must have compliant cross-trainer type sports shoes or approved runners. Speciality sports shoes must be approved by the PE Faculty Coordinator before they are worn to school. The PE Faculty Coordinator will write a note in the Planner advising of approval and any conditions the student must observe. The student must be prepared to show this note on request.

The School hat must be worn for all outdoor PE lessons in Terms 1 and 4. Students should also bring a drink bottle and sunscreen.

Students engaged in Zone Sports may wear their PE Uniform to and from school.

Students engaged in a Sports Carnival or Sports event that encompasses a significant portion of the day commencing before school may wear their PE Uniform to and from school on the condition that it is listed as a requirement on the School Information letter provided.

Students who have official sports training or try-outs during the day may wear their PE uniform to school in place of their formal uniform.

Students who have after school sports training or try-outs must wear their formal uniform to school and change after school. They do not need to change back into formal uniform to travel home.

If the PE uniform is required for an outdoor excursion or school event other than a PE event it will be noted on the Excursion Information letter provided.

The PE Uniform is NOT to be worn for any other subject without authorisation in writing from the subject teacher. Students must change into their PE uniform for the lesson and change back into formal uniform before the end of the lesson ready for their next class.

A lunchtime detention is given as a consequence for wearing PE uniform on a day when the student does not have a PE lesson or other PE training or event as previously stated. More stringent consequences will be given where students continue to be in breach of the School Uniform Policy.
